No negotiated Settlement Agreements or Memorandums of Agreements entered into after the ratification of this Agreement will have precedential effect, amend this agreement, or provide for wage rate adjustments unless they are signed by the Director of Administration or his/her designee.

ARTICLE I RECOGNITION

The State hereby recognizes the Association as the sole and exclusive bargaining agent for all employees within the bargaining unit. The bargaining unit consists of those classes of position found appropriate as a result of the petition submitted in case number EE-3290.

The State agrees that no employee shall be discriminated against, intimidated, or coerced in the exercise of her/his right to bargain collectively through the Association, or on account of her/his membership in or activities on behalf of the Association.

No person or persons represented by the exclusive negotiating agent shall bargain individually or collectively with the State concerning any terms or conditions of employment except through the authorized representatives of the CCRI/ESPA/NEA as provided in the State Labor Relations Act.

ARTICLE II NON-DISCRIMINATION CLAUSE

The State and the Association agree not to discriminate in any way against any member of the bargaining unit with respect to the provisions of this Agreement on account of race, religion, creed, color, national origin, sex, age, marital status, physical handicap, political beliefs or affiliation, sexual preference gender identity and expression, or membership in any lawful organization. All reference to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

The Association and the State shall not discriminate against, interfere with, restrain or coerce an employee from exercising the right to join or not to join the Association and will not discriminate against the employee in the administration of this Agreement because of membership or non-membership in the Association.

Nothing in this Agreement shall be construed so as to prevent compliance with any obligation imposed by the Americans with Disabilities Act of 1990.

The State and the Union agree to establish a Committee consisting of representatives from both parties to explore affirmative employment action, and if possible, to enter into a letter of understanding.

In accordance with College policy, sexual harassment shall not be allowed and shall not be subject to the grievance and arbitration provisions of the Contract, but subject to grievance procedure contained within the College's Affirmative Action policies.

ARTICLE III DUES DEDUCTION AGENCY SHOP

Membership in any employee organization may be determined by each individual employee. Members of the Union shall pay dues as determined by the Union, provided, however, that all non-members of the exclusive representative organization shall pay to the exclusive organization a service charge as a contribution toward the negotiation and administration of any collective bargaining agreement in an amount as certified by the NEARI.

The State Controller shall, upon certification of the exclusive organization, deduct bi-weekly from said employee's salary said amount and remit the same to the treasurer of the exclusive bargaining organization. The State will not deduct dues for membership in any other Union.

The State Controller shall forward all deductions covered by this Agreement to the Treasurer of ESPA/NEA on a bi-weekly basis.

The State recognizes the Union's ability to increase dues lawfully and in accordance with its Constitution and By-Laws, and upon written representation by the Union that dues have been lawfully increased and in accordance with its Constitution and By-Laws, the State agrees to adjust the amount of dues deduction accordingly, provided that such an adjustment is consistent with the authorization of the employee that is required by law.

The appointing authority shall give written notice to the Treasurer and President of the Union of all new employees within the bargaining unit who become eligible for membership in the ESPA. Said notice shall be given monthly and shall include the employee's name, address, social security number, date of hire, classification, work assignment and location.

The Union shall indemnify and save the State harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not taken by the State in reliance upon the Union's representation that its dues have been lawfully increased and in accordance with the Union's Constitution and By-Laws or for the purpose of complying with any of the provisions of this Article.

 3. Any full-time employee, who is assigned to work during the "evening tour of duty" or the "night tour of duty" for less than sixteen (16) hours or fourteen (14) hours, shall be compensated for the hours actually worked at the rate of shift differential provided in Paragraph B (7).
 4. Any employee assigned to the day schedule who is required to change that schedule to work an evening or night tour of duty in place of that employee's regularly scheduled hours shall receive shift differential pay for such evening or night tour of duty hours actually worked.

H. All employees shall be covered by Workers' Compensation pursuant to Title 28 of the General Laws of Rhode Island.

ARTICLE XIV GRIEVANCE PROCEDURE

The purpose of this procedure is to provide a mutually acceptable method for the prompt and equitable settlement of grievances over the interpretation, application, or violation of this Agreement.

For the purpose of this Agreement, a grievance is defined as any difference or dispute between the State and the Union, or between the State and any employee with respect to the interpretation, application, or violation of any of the provisions of this Agreement.

A. There shall be a grievance procedure as follows:

Step 1: A grievance shall be presented in writing by the aggrieved employee and/or by the Union to either the immediate supervisor or other designee of the department within twenty-one (21) days of the employee's and/or Union's knowledge of the occurrence of such grievance.

The aggrieved employee shall meet and discuss his/her problem with his/her Union representative and the immediate supervisor and/or other designee of the department within seven (7) days of the submission of the grievance in an attempt to settle the issue. The supervisor and/or other designee of the department shall allow or deny the grievance or otherwise respond to the Union and the employee within seven (7) days of the meeting.

Step 2: If the grievance is not resolved after seven (7) days of the Step 1 meeting or if the Department has failed to otherwise respond according to Step 1 above, and in the event the Union and/or the employee wishes to pursue the matter further, the Union and/or employee shall submit the grievance in writing to the designee of the Director of the Department of Administration within thirty (30) days thereafter. The designee of the Director of the Department of Administration shall schedule a hearing within thirty (30) days and shall render a decision in writing within thirty (30) days of the hearing.

Step 3: In the event the grievance is not resolved at the Step 2 level in a manner satisfactory to the aggrieved employee and/or the Union, and the Union and/or employee wishes to pursue the matter further, then such grievance may be submitted to Arbitration by the Union within thirty (30) days of the transmittal of the hearing officer's written decision in Step 2.

B. (Miscellaneous Provisions) Sustained grievances will be implemented or the necessary paperwork to implement the remedy will be initiated within twenty-one (21) days after the receipt of the decision from the Department of Administration.

All grievance hearings held under this procedure shall be conducted at a time and place, which will afford a fair, and reasonable opportunity for all persons entitled to be present to attend.

The time for scheduling a hearing may be extended in the event of the parties agreeing to hold the matter in abeyance for a period of time, or otherwise by consent of the parties.

Either party to the Agreement shall be permitted to call witnesses as part of the grievance procedure.

Grievance hearings are intended to be an informal expedited process to resolve disputes. The State, on request, will produce payroll and other relevant and material records, as necessary. Requests shall be made at least seven (7) days in advance of the grievance hearing. The State shall comply with the request within 48 hours.

Members of the Union committee, stewards, the aggrieved employee, and employee witnesses, who are State employees, will be paid at their regular rate up to their normal quitting time for time spent in processing grievances.

The Union representatives will have the right to assist the aggrieved at any step of the grievance procedure.

Nothing contained herein deprives an individual employee of the right to act on his/her own counsel. If such grievance is processed without assistance from a Union representative, the Union retains the right to attend all meetings and hearings as an observer. If such grievance is processed without Union representation, the facts and the resolution of said grievance will be furnished by the State to the Union at the time the grievance is being processed. The final resolution must be consistent with the terms of this Agreement. However, any grievance which is sustained by the State and which is contrary to the Agreement will be subject to appeal by the Union.

In all cases of suspension, demotion or dismissal of an employee, the aggrieved employee, the Union, and/or the State may request to immediately proceed to Step 2 of the grievance procedure.

The State shall provide the Coalition Bargaining Team with electronic copies (i.e., PDF files) of arbitration decisions that the State receives from Labor Relations Connection received after March 2015.

A Civil Service employee may process their grievance through either the grievance procedure or before the Personnel Appeal Board. Initiation of a matter before the Personnel Appeal Board shall be deemed a waiver of the employee's right to utilize the grievance procedure provided herein with respect to that matter. Nothing herein is in any way intended to extend the statutory jurisdiction of the Personnel Appeal Board.

The State is in the process of developing an electronic on-line system to file, process, schedule and track grievances. At such time as the State is prepared to test the new system, the State will notify the Union for the Union's review, comments, and testing prior to implementation. The State will use reasonable efforts to accommodate suggestions/requests from the Unions. When the system becomes operational, the Union will fully cooperate with the use thereof to include the use of standardized grievance forms and the filing and processing of grievances through the on-line system.

4. Attempt to waive or modify any law or regulation which would in any way deny preferred treatment of affected employees. In the event that such mutually acceptable plan is not resolved, either party may request the Federal Mediation and Conciliation Service to attempt to resolve the dispute. If such efforts do not provide a mutually acceptable plan, the FMCS shall recommend steps to be taken by the parties, but in any event employees adversely affected by sub-contracting shall be enabled to utilize the seniority rights as established in this Agreement.

 - (f) To protect employee privacy rights, all documents containing confidential medical information are maintained as confidential medical records and are kept in separate, secure medical files in the Human Resources Service Center office. Access to these records is restricted as provided by law.
 - (g) Nothing herein shall adversely affect an employee's right to leave under either State or Federal leave laws. All absences due to qualifying medical reasons shall count towards an eligible employee's leave under such laws.
 - (h) Nothing herein shall be construed to conflict with G.L. 1956 § 36-4-63.
2. Employees whose basic work week is thirty-five (35) hours or in the thirty-five (35) hour non-standard category shall accrue four (4) hours for each bi-weekly period of service; employees whose basic work week is forty (40) hours or in the forty (40) hour non-standard category shall accrue five (5) hours for each bi-weekly period of service.
 3. When the total accumulation shall amount to eight hundred seventy-five (875) hours (one hundred twenty-seven [127] days) for an employee assigned to a thirty-five (35) hour schedule or a thirty-five (35) hour non-standard schedule, and one thousand hours (1000) (one hundred twenty-seven [127] days) for an employee assigned to a forty (40) hour work schedule, or a forty (40) hour non-standard schedule, no further credit shall accrue until the total shall have been reduced to less than the maximum.
 4. When the service of an employee shall be terminated by retirement (mandatory, voluntary, or involuntary), or death, such employee or her/his estate shall be entitled to receive full pay for each hour of accrued sick leave to her/his credit as of the date of termination according to the following formula:

A thirty-five (35) hour a week employee or a thirty-five (35) hour non-standard employee shall be entitled to receive full pay for fifty percent (50%) of all accrued sick leave over three hundred ninety (390) hours up to and including six hundred thirty (630) hours and seventy-five percent (75%) pay for all accrued sick leave over six hundred thirty (630) hours up to and including eight hundred seventy-five (875) hours. A forty (40) hour a week employee or a forty (40) hour non-standard employee shall be entitled to receive full pay for fifty percent (50%) of all accrued sick leave over four hundred sixty-eight (468) hours up to and including seven hundred twenty (720) hours and seventy-five percent (75%) pay for all sick leave over seven hundred twenty (720) hours up to and including one thousand (1000) hours.

5. If the employee becomes ill while on vacation, vacation leave will be changed to available sick leave accumulation, providing the employee shall furnish to the State a physician's certificate attesting to the illness of the employee during the time in question.
6. Whenever an employee shall be absent from her/his duties and receiving compensation as provided in the Workers' Compensation Laws, they shall be granted sick leave in accordance with the rules applicable thereto in an amount not to exceed her/his regular compensation. Deductions from accumulated credits shall be applied only to that part of her/his salary which is paid as an addition to Workers' Compensation payments, and the total of the two (2) shall not exceed the regular salary range for a given pay period. Annual leave credits may be applied in the same manner. When such absence shall not be covered by sick leave or annual leave, it shall be deemed to be leave without pay. Provided, however, that it shall be determined during the Workers' Compensation proceedings that the injury resulted from a physical assault arising out of the regular course of employment, the employee's leave shall not be reduced for the first twenty-six (26) weeks of disability arising from such an assault. During the twenty-seventh (27th) week and thereafter for the duration of the employee's disability, deductions from accumulated credit shall be applied as indicated above.
7. Any employee whose employment requires exposure to x-rays, radiation, or other harmful substances shall be granted special sick leave credits not to exceed one hundred and five (105) hours in a calendar year if s/he is a thirty-five (35) hour or non-standard employee, or one hundred twenty (120) hours if s/he is a forty-(40)-hour employee or a forty (40) hour non-standard employee. Such sick leave credits shall be available and sick leave granted upon the approval by the Personnel Administrator of the written recommendation of the appointing authority. Such recommendation shall be based upon a determination by blood tests or other approved method and supported by a statement from a qualified physician that the health of the employee required such sick leave to permit recuperation from exposure to such occupational hazard.
8. All employees shall receive a quarterly report of her/his accrued sick and vacation leaves.

9. Consistent with the provisions of the Collective Bargaining Agreement, the parties recognize the desirability of temporary light duty assignments as a means of returning injured workers to productive employment and to facilitate the employee's return to full duty in his/her assignment.

The State in agreement with the Union may identify transitional employment for injured employees, including those with work or non-work related injuries, and those with occupational disease as set forth in R.I. Gen. Laws § 28-34-1 et seq., whose medical restrictions prevent or limit performance of full job duties and responsibilities within the following parameters:

Based upon definitive medical verification of the employee's restrictions, the State may modify the employee's assignment, including job functions, tasks, hours, shift and/or work location, to provide transitional employment which will not exceed the employee's restrictions.

If no transitional employment is available in the employee's classification, the employee may be offered temporary work outside her/his classification with the agreement of the (local) Union.

Transitional assignments shall be reviewed on a regular basis. The review interval shall be agreed upon by the State, the Union, and the employee. The transitional employment period shall not exceed six (6) months unless extended by mutual agreement of the State, the Union, and the employee contingent upon supporting medical documentation.

If the employee cannot return to her/his classification and/or assignment based upon medical verification, the State may offer them education, training, or other programs to assist the employee to obtain other employment opportunities in accordance with the Collective Bargaining Agreement and the Merit System Law.

No employee working in a transitional assignment will displace any bargaining unit member while participating in transition employment.

E. Personal Days:

Each member of the bargaining unit shall be entitled to four (4) days of personal leave with pay, per calendar year, to attend to personal business or religious observance. The State shall not require a member to give reason as a condition of approval to use of such personal leave, provided, however, that notice of such leave will be provided to the immediate supervisor. Employees newly appointed between January 1 and March 30, shall be entitled to four (4) personal leave days as provided in this Article. Employees newly appointed between April 1 and June 30 shall be entitled to three (3) personal leave days as provided in this Article. Employees newly appointed between July 1 and September 30, shall be entitled to two (2) personal days as provided in this Article. Employees newly appointed between October 1 and December 31, shall be entitled to one (1) personal leave day as provided in this Article.

F. Sick Leave Bank:

The State and the Union agree to establish a Sick Leave Bank Committee who shall be responsible to administer a Sick Leave Bank in each bargaining unit covered by the Agreement. A separate sick leave bank may be established in a particular department by mutual Agreement. Those sick leave bank agreements that were in existence for individuals as of January 26, 2001 shall remain in existence until exhausted.

The Sick Leave Bank Committee shall be composed of six members, three (3) of whom shall be appointed by the President of the Union and three (3) by the State. The Sick Leave Bank Committee shall establish the rules and procedures to be used by employees who have contributed to the Sick Leave Bank. Decisions of the Sick Leave Bank Committee to grant sick leave bank days shall be by majority vote, shall be final and shall not be subject to the grievance and arbitration provisions of the contract.

The following provisions must be included in the rules and procedures adopted by the Sick Leave Bank Committee:

1. The Committee must review the sick leave utilization of any member of the Sick Leave Bank who applies for sick leave from the bank. Sick leave will not be granted to an applicant with evidence of prior sick leave abuse in his or her personnel file or attendance record. Prior utilization of sick leave does not by itself indicate sick leave abuse.
2. The Committee must require adequate evidence of catastrophic illness or injury, which is not job-related, of an employee only (not any family member).
3. The maximum amount of sick leave that the Committee may grant shall be 480 hours per employee assigned to a forty (40) hour work week and 420 hours per employee assigned to a thirty-five (35) hour work week. Hours granted shall not exceed the total hours available in the Bank.
4. Employees may make contributions to the Sick Leave Bank on an "as needed" basis in order to meet the needs of the Sick Leave Bank and to eliminate the loss of unused donated time at the end of the calendar year. Employees must make contributions to the Sick Leave Bank on January 2 of each calendar year unless another date is determined by the Committee. Any employee who does not make a contribution to the Bank shall not be eligible to apply to the Bank for any sick leave.
5. Members of the bargaining unit who wish to be eligible to apply to the Bank for sick leave shall contribute eight (8) hours of sick leave if assigned to a forty (40) hour work week and seven hours of sick leave if assigned to a thirty-five (35) hour work week.
6. An employee who applies to the Sick Leave Bank must have used all available accrued and accumulated leave including vacation and personal leave.

7. All sick leave hours accrued while discharging sick leave hours granted by the sick leave bank committee must be discharged prior to discharging available sick leave bank hours.
8. Part-time employees may participate on a pro-rated basis.

If during the calendar year the Sick Leave Bank falls below three fifty (350) hours, the Sick Leave Bank Committee may solicit additional contributions of one additional day (8 hours or 7 hours) from those employees who made a contribution on January 2 of that calendar year unless another date is determined by the Committee.

SICK LEAVE COMMITTEE

The State and the Union agree to establish a committee to study the feasibility of alternatives and options to the existing sick leave benefit structure. The committee shall consist of up to three members appointed by the State and three members appointed by the Coalition. The committee will meet on a bi-monthly basis. The committee will discuss alternatives to the existing sick leave policies and structure and alternatives such as group short term disability insurance.

G. Leave for Professional Development

Members who have served at least two (2) years full-time may be granted short-term leaves of absence to pursue professional development at workshops, seminars and conventions which are related to the performance of the member's duties and responsibilities or to those performed in other positions at the college. This leave shall be granted at regular pay and the recipient upon the termination of the leave shall return to his/her duties at the College. Application for such leave shall be made through the immediate supervisor to the Associate Vice President for Administration for approval six (6) weeks prior to the date for which the leave is requested. In certain circumstances, shorter notice for such leave may be considered.

H. Sabbatical Leave

Employees in the bargaining unit shall be eligible for sabbatical leave which s/he may take with the approval of the President for the purpose of advanced study, independent research or pursuance of a higher academic degree (post-baccalaureate) at the completion of six (6) years of employment. An application for sabbatical leave which requires budgeted funds shall be submitted at least twelve (12) months preceding the date on which the leave is to commence. A committee composed of two (2) people appointed by the College President and two (2) appointed by the ESPA President shall consider all requests for sabbatical leaves and shall rank all applications and forward a recommendation to the appropriate Vice President and the President of the College with respect to said requests. If the total number of sabbatical leaves approved by the President of the College to commence in a given fiscal year is two (2) or more, then the decisions of the President of the College with respect to the granting or denial of all sabbatical leave requests shall be final.

As soon as decisions are made regarding sabbatical leaves, the Administration shall furnish the Association with a list of those receiving sabbatical leave, and those denied sabbatical leave. For those whom replacement positions have been provided, notice to the Association will be given as soon as the decision has been made. An employee on sabbatical leave shall receive for a period of one (1) year half pay, or for a period of six (6) months, full pay, with the understanding that s/he return to his/her duties for at least one (1) year upon termination of the leave, unless by mutual agreement between the employee and the President, it is deemed inadvisable. Upon completion of a Sabbatical Leave, the returning employee will not be eligible for another Sabbatical Leave for six (6) years.

Upon his/her return from sabbatical leave, an employee's salary shall be the same as he/she would have received had the period of his/her leave been spent in the service of the college and s/he shall be returned to the same level which he/she held at the time said leave commenced if it exists, or if not, a substantially equivalent level.

A sabbatical leave of absence may be extended without pay or increment for one (1) additional year.

I. Study Leave

A staff member who has served as such for at least three (3) years may, upon written approval of the President, be granted leave of absence for the purpose of pursuing a course of study (including Certificate, Associates Degree, and Bachelor's Degree) for a period of either six (6) months or one (1) year. Such staff member may apply for one-half (1/2) pay for the six (6) month period or one-quarter (1/4) pay for one (1) year period. The staff member shall agree in writing to return to the Department of the College which he or she left for a period of one (1) year upon the termination of his or her leave, unless by mutual agreement between the staff member and the President, it is deemed inadvisable. Upon completion of a Study Leave, the returning employee will not be eligible for another Study Leave for three (3) years.

A member of the ESPA, on applying for study leave, shall present to the appropriate Vice President or Executive Officers a comprehensive plan for study, research, or other professional improvement he/she proposes to take while on leave, which must be approved by the Vice President or Executive Officer and the President before the request for leave is granted. An application for study leave shall be made to the appropriate Executive Officer at least six (6) months preceding the date on which the leave is to commence.

A committee composed of two (2) people appointed by the College President and two (2) appointed by the ESPA President shall consider all requests for study leaves and shall rank all applications and forward a recommendation to the appropriate Vice President and President with respect to said request. If the total number of study leaves approved by the President of the College to commence in a given fiscal year is two (2) or more, then the decisions of the President of the College with respect to the granting or denial of all study leave requests shall be final.

A. Probationary Employees

1. All original appointments and promotional appointments shall be considered as probationary employees for the first one hundred thirty (130) days worked of her/his continuous employment and shall serve at the pleasure of the College. Any promotional appointee who is dismissed from the position to which they were promoted during the probationary period or at the conclusion thereof shall be restored to her/his former position.
2. During this probationary period, the employee will be evaluated by the employee's immediate supervisor every two (2) months. The employee and the supervisor shall discuss the employee's performance and shall be notified in writing of the evaluation after each evaluation is made, and if appropriate, the supervisor shall offer constructive criticism to enable the employee to improve her/his performance. In no case shall any evaluation of an employee be based on hearsay. Evaluation reports will be placed in the employee's personnel file. The employee shall have the right to attach appropriate comments to any evaluation.
3. At the end of the probationary period, a decision will be made whether to retain or terminate the employee. If the employee is not notified, in writing, that her/his services are not satisfactory, or that her/his continued employment is not desired at the expiration of the probationary period, then s/he shall be continued in her/his employment. Any employee may be dismissed by the College during the probationary period for reasons relating to the employee's lack of qualifications or for the good of the service. Such dismissal shall be in writing with a copy sent to the employee and the Union President.
4. The Union recognizes and agrees that the State has the right to perform personnel performance reviews.

B. Counseling

As a general matter, the parties agree that, where appropriate, it is a good practice to engage in counseling prior to entering into the discipline process.

C. Due Process

1. Disciplinary action may be imposed upon an employee only for just cause. Any disciplinary action imposed upon an employee may be processed as a grievance through the regular grievance procedure as outlined in Article 12. If the appointing authority has reason to discipline an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. Initial minor infractions, irregularities, or deficiencies shall be privately brought to the attention of the employee. After a period of two (2) years for a written reprimand and one (1) year for an oral reprimand, if the employee has not

committed any further infractions of appropriate rules and regulations, the written reprimand and written notations of oral reprimands shall be expunged from the employee's personnel records. Each employee shall be furnished with a copy of all performance evaluations or disciplinary entry in her/his personnel record and shall be permitted to respond thereto. The contents of an employee's personnel record shall be disclosed to the employee's union representative only with the written consent of the employee. Where appropriate, disciplinary action or measures shall include only the following:

- a. Oral Reprimand
- b. Written Reprimand
- c. Suspension
- d. Discharge
- e. Demotion where appropriate

After a period of four (4) years, if the employee has not committed any further infractions of appropriate rules and regulations, suspensions of five (5) days or less will be automatically removed from the employee's personnel records. The preceding sentence shall apply to suspensions of five (5) days or less issued prior to and after the ratification of the agreement.

When any disciplinary action is to be implemented, the Appointing Authority shall before such action is taken, notify the employee and the Union in writing of the specific reasons for such action.

2. If the Appointing Authority decides to demote, suspend or terminate an employee, the employee and Union President shall receive two (2) weeks' notice in writing. In the event that circumstances warrant, the Appointing Authority shall not be required to give the employee two (2) weeks' notice for termination.
3. The Appointing Authority shall not discipline an employee without just cause. Within two (2) weeks of a suspension or discharge, the Union may file a grievance with the State Labor Relations Administrator as set forth in Article 12, and such hearing shall be held no later than three (3) days after the Union's request.
4. In the event that an employee is dismissed, demoted or suspended under this Section, and such employee appeals such action and her/his appeal is sustained, they shall be restored to her/his former position and compensated at her/his regular rate for any time lost during the period of such dismissal, demotion or suspension.
5. An employee may be granted a demotion, upon request, when recommended by the Appointing Authority and approved by the Personnel Administrator. In this instance her/his current status shall be transferred to the lower class.
6. An Arbitrator shall be empowered to change the disciplinary action if they determine the action taken was not warranted under the circumstances.

- B. An employee and Union President shall be given a copy of any material if it is to be used in connection with a grievance or a personnel hearing.
- C. No derogatory material shall be placed in the employee's personnel file unless the employee has an opportunity to read the material and an opportunity to sign and date the material indicating the employee has read the material. Such signature merely signifies that the employee has read the material to be filed and does not necessarily indicate agreement with the contents.
- D. No anonymous material shall be placed in the employee's personnel file. Materials shown to be false or unsubstantiated shall be removed from the employee's personnel file. The Personnel Office shall be responsible for notifying in writing any persons or organization to which it may have forwarded false information.
- E. A designated member of the Association, having written authorization from the employee concerned and in the presence of a representative of the Community College Administration, may examine the official personnel file of that employee if the examination relates to a filed grievance, a grievance in preparation, or written charge(s) preferred against the employee of the Community College.
- F. There shall be only one (1) official file kept in the College Personnel Office. The College Personnel Office shall make files available at other campuses of the College for review by employees who so request them. Such files shall be made available by appointment.
- G. The employee shall have the right to answer any material filed, and the employee's answer shall be attached to the copy in her/his personnel file.

Should any part of this Agreement be rendered or declared invalid by a court of competent jurisdiction of the State of Rhode Island, such invalidation of such part or portion of this Agreement should not invalidate the remaining portions thereof, and they shall remain in full force and effect.

It is further agreed that if part of the Agreement is determined invalid, either party may open negotiations solely with respect to a substitute for such Article, Section, or portion, within two (2) weeks after a ruling has been made.

**ARTICLE XXIII
ALTERATION OF AGREEMENT**

- A. It is hereby agreed that any alteration or modification of this Agreement shall be binding upon the parties only if agreed to in writing by both parties.
- B. The waiver of any condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

**ARTICLE XXIV
INCLEMENT WEATHER EMERGENCIES**

In the event that the Governor or designee determines that an emergency situation exists and as a result makes a public declaration that an emergency exists or that State offices are closed, the following provisions shall apply:

- 1. The Department of Administration shall determine the designated starting time of the emergency.
- 2. Employees who are either allowed to leave her/his work place early or are excused from traveling to work shall be allowed to discharge vacation leave, personal leave or sick leave. An employee who elects to discharge sick leave may discharge up to a maximum of two (2) sick days per calendar year for such events.

LETTER OF UNDERSTANDING³

College Police Department

In conjunction with the 07/01/2017 – 06/30/2020 Collective Bargaining Agreement, with respect to College Police Officer(s), Campus Patrol Person(s) [hereinafter, Officers] and College Police Lieutenant(s) [hereinafter, Lieutenants], the parties agree to the following:

Article IX (Overtime, Shift Differential and Call in Time), Section A: Calling of Overtime

1. Officer's Overtime Shifts

Overtime shall be defined as both shift coverage (compensated by the CCRI College Police Department) and detail shifts (not originally compensated by the CCRI College Police Department).

For the shifts that fall on Christmas Eve, Christmas Day, New Year's Eve, New Year's Day, Easter, and Thanksgiving, if at a given Step no officer is willing to work an eight (8) hour shift, that eight (8) hour shift may be offered and filled with two (2), four (4) hour shifts.

Overtime will be offered as follows:

Step One: Officer's overtime shifts shall first be offered to Officers on the basis of primary seniority at the campus at which they are employed on a rotating basis.

Step Two: Should the process indicated in Step One fail to generate a sufficient number of Officers from the campus at which they are employed to staff the detail overtime, the College shall then offer the detail overtime to Officers at all other campuses, by seniority and on a rotating basis.

Step Three: Should the process indicated in Step Two fail to generate a sufficient number of Officers to staff the detail overtime, the College shall then offer the detail overtime to Lieutenants based at the campus where the detail overtime was generated. The offer shall be made by seniority and on a rotating basis.

Step Four: Should the process indicated in Step Three fail to generate a sufficient number of Lieutenants from the campus where the detail overtime was generated, the College shall then offer the detail overtime to Lieutenants at all other campuses. The offer shall be made by seniority and on a rotating basis.

Step Five: Should the process indicated in Step Four fail to generate a sufficient number of Lieutenants to staff the detail overtime, the College shall be entitled to require (force-in) the most junior Officer, at the campus from which the detail overtime work

³ Relates to Article X – Overtime, Shift Differential and Call In Time.

originated, to perform the work. Such force-ins shall be made on a rotating basis, per past practice, beginning with the most junior Officer.

Step Six: Should the process indicated in Step Five fail to generate a junior Officer to perform the work at the campus from which the detail overtime work was generated due to the unavailability of the Officers assigned to that campus based upon preapproved vacation(s), sick leave, injury leave or because the Officer who would be assigned would be required to work in excess of sixteen (16) consecutive hours, the College shall be entitled to require (force-in) the most junior Officer from the other campuses to perform the work. Such force-ins shall be made on a rotating basis, beginning with the most junior Officer and shall be made through all officers in the bargaining unit. Any officer who is not available or skipped shall remain at the top of the list.

Preapproved vacations in this provision shall mean those vacations approved prior to the occurrence of injury leave or sick leave. If vacations are approved subsequent to the occurrence of injury leave or sick leave which the College knows or should know would result in a shortage of staffing, resorting to Step Six is prohibited.

The College shall notify the CCRI ESPA President prior to implementing Step Six.

2. Seniority throughout this agreement refers to primary seniority within the ESPA Union.

3. Except as modified by this Agreement, pertaining to the College Police Department, the terms of the Collective Bargaining Agreement shall remain unchanged and shall not set precedence regarding overtime generated for any other department within the College that employs members of the CCRI/ESPA Union.

LETTER OF UNDERSTANDING

Tuition Waiver

For the duration of the current Agreement between the State, CCRI, and ESPA/NEARI, Tuition waiver is applicable only to full-time, classified employees (“eligible employees”). Waiver of fees shall be limited strictly to tuition. The individual must pay for all other fees, books, supplies, travel, and other expenses.

Tuition waiver only applies to institutions under the jurisdiction of the Council on Postsecondary Education. This waiver applies to the employee’s spouse or domestic partner, as defined in RIGL § 36-12-1, and dependent children, as defined herein, who are pursuing courses in a regular study program for credit at the first baccalaureate level only. This limitation of eligibility (pursuing courses in a regular study program for credit at the first baccalaureate level only) shall not apply to the employee.

For purposes of this policy, “dependent children” is intended to refer to a child, as defined in Internal Revenue Code §§ 117(d), 132(h), and 152(f)(1), of the eligible employee:

- for whom the eligible employee is entitled to claim and does claim a dependency deduction on his/her federal personal income tax return under Internal Revenue Code Section 152; or
- who is described in Section 152(e) (e.g. whose parents are divorced, legally separated, or live apart; who receives at least ½ of his or her support from one or both parents; and who lives at least half time with one or both parents), even if the eligible employee is not the custodial parent and/or does not claim the child on his or her tax return;

Employees who seek a tuition waiver for such dependent children must execute a Dependency Affidavit in the form approved by the Council.

In the event of an employee’s death, the tuition waiver benefit shall be provided for those spouses or domestic partners, as defined in RIGL § 36-12-1, and dependent children, as defined below, who have been accepted or are enrolled at the time of such death and who maintain continuous enrollment.

However, pursuant to RIGL § 16-97-7, no eligible employee of the Council on Postsecondary Education, his or her spouse, domestic partner, or dependent children, shall receive a tuition waiver as a result of employment status with the Council on Postsecondary Education, without first consenting to the public disclosure of the existence and amount of the waiver. This applies to any waiver at the Community College of Rhode Island, Rhode Island College, and/or the University of Rhode Island.

If an employee is an otherwise “eligible employee” but is on leave without pay as of the first day of class, neither the employee nor his or her spouse or domestic partner, as defined in RIGL § 36-12-1, or dependent children are eligible for tuition waiver unless specifically recommended by the institution president or the Commissioner of Postsecondary Education and

approved by the Council on Postsecondary Education at a public meeting. In an emergency situation, where such a determination is needed between scheduled Council meetings, the Commissioner may make a determination and notify the Council at their next scheduled meeting. However, no such approval will be granted for an employee who is employed by an entity that is outside of the jurisdiction of the Council of Postsecondary Education as of the first day of class, regardless of whether such employee is on leave without pay at that time.

Tuition waivers are not applicable to non-credit courses.

College Police Department

“Vendor Funded” Overtime⁴

1. When an independent, non-departmental party (hereinafter, “the Vendor”) contracts with the College to hold an event (hereinafter, “special detail”) at a College campus that requires the services of College Police Officers, the College shall offer such “special detail” assignments at a flat rate to the College Police Officers on the basis of the rotating seniority list.
2. Special details include those details funded by another institution (i.e. URI) or private company, organization (regardless of for-profit or non-profit), or enterprise in which the requesting aforementioned entity will be charged for services provided. If the funding status of a Vendor is unclear, the determination of the funding status shall rest solely with the Associate Vice President for Administration, who will retain authority to make an exception to this “special detail” agreement on a case by case basis.
3. The College shall retain sole discretion and authority to determine the number and rank of College Police Officers needed for such an event.
4. Those College Police Officers who work a “special detail” shall be paid by the College at a “flat rate” for actual hours worked. The flat rate shall be time and one half plus \$5.00 per hour for actual hours worked. No College Police Officer shall receive any compensation directly from the Vendor for a “special detail” assignment.
5. When overtime occurs on a Saturday, Sunday, or actual holiday and is funded by a Vendor, the employee shall be paid by the College at time and one half plus \$10 per hour for actual hours worked. (This stipulated pay shall be made effective upon the ratification of this contract.)
6. If a College Police Officer is scheduled to work immediately prior to or subsequent to the event being held by the Vendor, and such scheduled shift, together with the hours to be worked for the Vendor, would result in the College Police Officer working more than sixteen (16) consecutive hours, said College Police Officer shall then be disqualified from working the special detail for the particular event in question.
7. It is understood and agreed between the parties that hours worked by College Police Officers on “special details” pursuant to this agreement shall not be “double counted” for purposes of overtime. All hours worked on “special details” will be paid as “Special Detail Overtime”.
8. It is agreed that either party may reopen negotiations with respect to the “flat hourly rate” by July 1st of each year.
