Upon the decision to promote a candidate(s) by the appointing authority, the department shall notify the Union in writing of its final ranking of candidates with an accompanying statement about each candidate.

Qualifications shall be assessed by the superior responsible for hiring by means of a thorough review of each candidate's background, including professional experience and education. All qualified candidates shall have a personal interview. A review of each candidate's resume will be done, and this may include discussion with and/or written evaluation from previous and present employers.

- Having attained a degree in addition to and in advance of degree requirements, providing the additional degree is consistent with the position.
- Successful completion of courses beyond the degree program(s) which are directly related to the particular position.

- Length of time in general nursing.
- Length of time in public health nursing.

- Length of time in specific activities germane to the particular position.
- Other activities deemed by the assessor to be relevant.

3. INTERVIEW AND GENERAL PRESENTATION

- Assessor's evaluation of general appearance and professional demeanor.
- Quality of written expression as gleaned through resume and other submitted written material.
- Results of reference checks.
- Compatibility with job requirements, department and unit.
- Overall impression of candidate's capacity to be reliable, analytical, thorough, and efficient.

The assessor will rate each candidate according to this criteria, taking written notes, and then determining a final numerical ranking of candidates, with the first ranked being the choice of the promotion. Upon the decision to promote a candidate(s) by the appointing authority, the department shall notify the Union in writing of its final ranking of candidates with an accompanying statement about each candidate.

Both parties agree that this letter of understanding is the first attempt to itemize the criteria by which candidates for promotion will be measured. Both parties agree in principle that the best qualified candidate should be promoted and are willing to use the criteria outlined in this Letter as the method for that determination.

10.14 Any employee may be dismissed without recourse during the probationary period for reasons relating to the employee's qualifications or for the good of the service. (It is intended that "probationary period" in the above sentence shall mean the original probation and shall not apply to the probationary period served after a promotional appointment).

ARTICLE XI

REORGANIZATION

11.1 The Union recognizes the State's right to reorganize. The following parameters shall be followed by the parties when

reorganization is necessitated by an Executive Order or legislation.

1. The State shall notify the Union President at least fifteen (15) calendar days in advance of notification to bargaining unit members of its intention to reorganize.

2. The Union and the State shall meet immediately to review and discuss the State's plan for such reorganization and any proposed alternatives or changes.

5. Affected employees shall be given the right to bid on new assignments or exercise bumping rights to a position in an equal or lower class within the department in accordance with Article 10. The employee ultimately bumped shall take whatever comparable assignment or vacancy is available.

6. In cases where an entire operation is moved from one location to another all affected employees will be redeployed with the operation.

7. In the event that the number of employees affected by reorganization exceeds the number of available assignments or vacancies, any layoffs will be governed by Article 10.5.

8. Assignment of bargaining unit work: No grievance shall be filed or supported by the Union alleging that bargaining unit work previously performed within NAGE Local 79 bargaining unit has been assigned outside of such bargaining unit pursuant to the implementation of a reorganization, unless it is in conjunction with a request for a Union representation issue as a result of such reorganization. A grievance filed in conjunction with a request for Union representation would be held in abeyance by the parties until an official decision is issued by the Labor Board or the inter union dispute is resolved through an alternative dispute resolution procedure. In no event shall the Union seek nullification of the reorganization as a remedy for such grievance.

This section shall be operative only with regard to labor organizations whose collective bargaining agreements contain similar language. Nothing in this Section 8 shall prevent the Union from subsequently pursuing issues under Article 38 based on nullification of the reorganization plan or other such drastically changed circumstances.

9. Reclassification of existing bargaining unit classifications must be done through negotiations between the parties.

10. Any change in shifts and/or days off only shall not constitute a reorganization under this Article and must be done under Article 4 of this Agreement.

11. This Article 11 neither enlarges or diminishes the State's right, if any, to reduce the complement of bargaining unit

nurses and to replace them with non-nurse persons outside of the bargaining unit. In the event there is a dispute between the State and the Union over whether reorganization under this Article is being used for that purpose, no provision of Section 8 will bar the Union from raising this issue as an alleged grievance under Article 28. In addition, this Article 11 neither enlarges nor diminishes the State's right, if any, to redesign work or work schedules.

Working in Excess of Normal Work Week

Members of the Rhode Island Department of Health, N.A.G.E. bargaining unit, may occasionally need to work in excess of their normal work week, owing to the nature of the job responsibilities.

Such employees who work in excess of their normal work week are entitled to be excused from their regular work time at a rate of one and one-half times the hours worked in excess of their normal work week provided:

- a. That such time off is reviewed and approved by their supervisor; and
- b. That such times will be discharged within the next two pay periods of the pay period in which the excess time is worked.

FOR THE STATE

FOR THE UNION

SIDE LETTER

1. In any subsequent dispute over whether the State has the right under the Contract to contract out nursing services, the Union will not assert as evidence in support of its position that the State made and withdrew its bargaining unit proposal to add language to the contract.
2. In the event that a question of Union representation arises between NAGE Local 79 and 5019 as a result of reorganization, the following guidelines will apply:
 - A. The State will call a meeting of the two Unions.
 - B. All parties will urge the Labor Board to issue a prompt decision.
 - C. Union representation will remain unchanged until the decision of the Labor Board.

 - E. Although the parties would prefer a Labor Board decision, if the Labor Board has not decided the representation dispute within three (3) months, NAGE Local 79 may participate in a joint submission

together with the other labor organizations so agreeing, to binding arbitration of the representation dispute.

5. The parties will execute a grievance settlement agreement restoring to individual employees days taken when Union leave was denied pursuant to State orders which are inconsistent with the contract.

6. Even though the parties have agreed to delete Article 14.8, the State intends to have a health benefits plan which is uniformly applicable to all employees.

7. **Continuing Discussion**

The parties agree to revisit the issue of shift differential in the Office of Facilities Regulation

In the event the parties are unable to reach agreement after a reasonable discussion period, the parties will be deemed in full compliance with this Article and the statutory impasse procedure will not be applicable hereto.

MEMORANDUM OF AGREEMENT

9/22/09

MEMORANDUM OF AGREEMENT

THIS AGREEMENT is entered into by and between the State of Rhode Island and the National Association of Government Employees Local 79

WHEREAS, the State of Rhode Island is contending with a fiscal crisis of historic proportions characterized by diminishing tax revenues, projected substantial annual budget deficits and extremely high unemployment; and

WHEREAS, there exists a dispute between the Unions and the State in which the Unions contest the legal and contractual authority of the State to implement Executive Order 09-20, and in which the State denies the alleged lack of authority in this regard; and

WHEREAS, without in any way conceding their respective positions, the parties hereto are desirous of avoiding the extensive and costly litigation that would ensue if a resolution is not reached, and are further desirous of implementing a plan to avoid shutdowns and/or layoffs of employees and to resolve the dispute between the parties in an amicable fashion, and to facilitate more harmonious and cooperative relationships between the State, the Unions and employees.

NOW THEREFORE, in the best interests of the parties and to avoid an interruption of State services to the citizenry, on this 20th day of ~~September~~ ^{October}, 2009, it is hereby agreed by and between the State of Rhode Island and the National Association of Government Employees Local 79 that the Collective Bargaining Agreements/Memoranda of Settlement for the period of July 1, 2008 through June 30, 2012 remain unchanged except as follows:

No Layoff, Shutdowns or Pay Reductions:

The State agrees that there shall be no layoffs, shutdown, furlough, or pay reduction days, other than those pay reduction days referenced herein, through June 30, 2011.

9/22/09

Settlement Agreement and Consent Decree:

Upon execution and ratification of this Memorandum of Agreement, the parties will jointly cause the terms of this Memorandum of Agreement to be reduced to a consent decree and jointly request approval and entry of that decree(s) in the Supreme Court action entitled Council 94, et al. vs. Carcieri et al., Case Nos. PC-09-5029 (Union/Case Nos.). The Unions will formally withdraw any and all grievances filed directly or indirectly related to EO-09-20 with prejudice. The parties also agree that the consent decree will include language that indicates that the parties agree that the consent decree is an amicable resolution of disputed positions and that nothing therein shall be considered an admission of liability.

Pay Reduction FY 2010:

All employees shall receive eight (8) one day pay reductions (each one equivalent to ten percent (10%) of the bi-weekly total salary rate, excluding overtime) to be effective in each of the payroll periods during fiscal year 2010 as designated below:

| | Pay Period | Paycheck |

Employees may request to discharge this additional paid leave (Pay Reduction Leave "PR") commencing with any payroll period following the payroll period in which it was earned. These requests shall not be unreasonably denied. Employees may elect to carry no more than four (4) PR days solely for cash payment only upon termination from State service due to retirement, voluntary termination or death. Said cash payment for those days shall be at the employee's total

9/22/09

Balances of accrued vacation, sick and "deferred vacation" (a.k.a. Sundlun Days) leave shall be paid at the pre-reduction rate of pay to employees who terminate or retire from State service during a salary reduction period.

Employees completing their in-service training incentive credits during a salary reduction period will be awarded the appropriate salary adjustment based on the pre-reduction rate of pay.

The three percent (3%) across the board salary increase, which would otherwise be effective July 1, 2010, shall not be effective until January 2, 2011.

Pay Reduction FY 2011:

| 4 | 3/27/2011-4/9/2011 | 4/15/2011 |

Employees so affected will be entitled to accrue one and one quarter (1.25) additional days of paid leave (for a maximum of five (5) days) in each of the payroll periods identified above. This leave will accrue to part-time employees on a pro rated basis.

Employees may request to discharge this PR commencing with any payroll period following the payroll period in which it was earned. These requests shall not be unreasonably denied.

Employees may elect to carry no more than four (4) PR days solely for cash payment only upon termination from State service due to retirement, voluntary termination or death. Said cash

9/22/09

payment for those days shall be at the employee's total pre-reduction hourly rate in effect for the pay period of 1/2/2011-1/15/2011 (paycheck of 1/21/2011), regardless of when the cash payment is made. All other pay reduction leave accruals provided for in this agreement shall have no cash value whatsoever.

Balances of accrued vacation, sick and "deferred vacation" (a.k.a. Sundlun Days) leave shall be paid at the pre-reduction rate of pay to employees who terminate or retire from State service during a salary reduction period.

Employees completing their in-service training incentive credits during a salary reduction period will be awarded the appropriate salary adjustment based on the pre-reduction rate of pay.

Voluntary Leave Without Pay:

An employee may also voluntarily request leave without pay subject to his/her supervisor's approval. Employees who make such a request shall not accrue any additional days of paid leave for electing voluntary leave without pay.

Reorganization, Elimination or Consolidation of Functions:

Through June 30, 2011, the parties agree that an Appointing Authority (Agency Director/Head) has the right to transfer an employee between programs under his/her authority and/or, with the approval of the Director of Administration, transfer an employee from one agency to another due to transfer, reorganization, elimination or consolidation of functions, programs, units, divisions or departments within the Executive Branch subject to the following:

The union recognizes the State's right to transfer, reorganize, eliminate or consolidate functions, programs, units, divisions or departments within the Executive Branch.

Upon issuance of a memorandum from the Director of Administration setting forth the rationale necessitating said action, the State shall notify the respective Executive Director/Key Union Official at least fifteen (15) calendar days in advance of notification to bargaining unit members of its intention to transfer, reorganize, eliminate or consolidate functions, programs, units, divisions or departments.

9/22/09

The Union and the State shall meet within this fifteen (15) day period to discuss proposed alternatives. The Union shall be given access to pertinent information related thereto. The Union cannot grieve the inability of the parties to agree to the transfer, reorganization, elimination or consolidation of functions, programs, units, divisions or departments.

The affected employee and the union shall receive at least thirty (30) days written notice of the transfer unless extenuating circumstances are demonstrated by the affected employee. Provided, however, in no event shall the notice period be more than sixty (60) days.

The State agrees to offer available transfer assignments as identified by the State to the affected employee(s) based on primary seniority. The affected employee may:

1. Elect the available transfer assignment or
2. Displace the least senior employee in his/her classification in his/her current Division on the basis of primary seniority, if available.
3. Should there be no least senior employee in his/her classification in his/her current Division on the basis of primary seniority, then the affected employee may elect to displace the least senior employee in his/her classification in his/her current Department on the basis of primary seniority, if available.
4. The employee so displaced shall accept the transfer assignment offered by the State.
5. If there is no employee with less primary seniority in his/her current Division or Department, the affected employee shall accept the transfer assignment offered by the State.

The parties acknowledge that, for the limited term of this Agreement, the terms set forth above shall be in lieu of the provisions of the collective bargaining agreement that address layoff and bumping, job abolishment, reassignment, transfer, consolidation or reorganization.

The State shall recognize primary seniority of employees for the purpose of vacation scheduling and overtime assignments within the unit/location assignment.

No employee shall sustain a reduction in wages, hours or health benefits as an accompaniment to such transfer assignment.

9/22/09

When an affected employee is transferred, he/she will remain in his/her respective bargaining unit until the employee vacates the position. When an employee's position is vacated for any reason, including but not limited to resignation, retirement, discharge, death or promotion, the State may post the position. Said positions that are posted by the State will be posted in the following manner:

- a) In accordance with the seniority provisions of the collective bargaining agreement applicable to the transferred employee;
- b) The posting shall reflect the salary information of the collective bargaining agreement covering that classification at that Agency/Division and include language advising of the provisions set forth in sections a above and sections d and f below.
- c) Copies of such postings will be provided to the union covering the transferred employee and to the union covering that classification at that Agency/Division;
- d) Upon appointment, the position and the employee newly filling the position will be assigned and accreted to the collective bargaining unit covering that classification at that Agency/Division and the position will thereafter remain within that collective bargaining unit and the parties will work cooperatively to file the necessary documentation with the Labor Board;
- e) The employee's primary, secondary and State seniority shall all be determined in accordance with collective bargaining agreement covering that classification at that Agency/Division;
- f) If there are no qualified applicants for the position within the time limit contained in the applicable collective bargaining agreement covering the transferred employee, the vacant position will be filled in accordance with the

9/22/09

collective bargaining agreement covering that classification at that
Agency/Division;

- g) In no event shall the State change the bargaining unit affiliation of any
affected employee except as described herein; and
- h) In no event shall the State's decision not to post a position be used as a
subterfuge to evade these limitations.

Effect on Retirement:

The effect of this Agreement on retirement contributions is governed by RIGL 36-10-10.4.

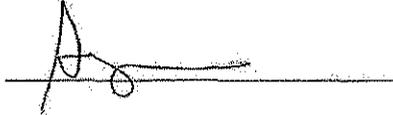

Ratification:

This Agreement is subject to (a) union membership ratification no later than October 20, 2009
and (b) approval by the Governor of Rhode Island, or his designee.

The undersigned agree to recommend ratification and approval of this Memorandum. Absent
such ratification, the proposal set forth herein shall be null and void.

This Agreement shall take effect upon ratification and shall be effective through June 30, 2011.
