D. In the selection of candidates for educational leave, preference will be given to the individuals on the basis of primary seniority. In the case of ties in primary seniority, the tie will be broken by utilizing state seniority.

It is further required that all applicants must have a minimum of eighteen (18) months state seniority by the time the application period for educational leave terminates.

1. The application period for educational leave will terminate on June 30th.

2. Within ten (10) working days of June 30th, the respective Departments shall notify the Association in writing of the candidates receiving Educational leave

location as a consequence of a case analysis and a subsequent recommendation by the caseload committee with the concurrence of the administration and consonant with existing provisions of contract number EE-3457. If modification of that caseload is made during an officer's education leave, his/her seniority rights shall be honored in any changes made. In the event that the position of the employee on educational leave with pay must be filled during said employee's absence, said position shall be bid subject to the right of the employee on educational leave to return immediately to his/her previous position, caseload and location upon the termination of the educational leave of said employee.

L. Employees who are granted educational leave by the State shall be responsible to complete the requirements for the approved degree and shall attain the degree unless prevented by circumstances beyond their control. In the event that employees require additional time beyond the completion of the educational leave in order to attain the degree, they shall be responsible to complete the requirements and attain the degree within the time frame permitted by their respective academic programs. The State shall not extend the educational leave for this purpose.

M. Employees hired after July 1, 2014 who are authorized to be on full time educational leave will not be paid salary but will continue to receive benefits subject to required employee contributions. 11.1 Prior agreements between the State and the Association have established that certain individuals would be (and shall remain) entitled to receive a salary increase of \$2300.00 per year in recognition of their graduate degrees. Those agreements have also been established that the granting of salary increases of \$2300.00 shall not extend to any employee who shall later acquire a Bachelor of Laws or a Juris Doctor Degree, or to any covered employee who otherwise earns or receives any Doctoral Degree, or to any covered employee who is the recipient of any Honorary Degree, even if said honorary degree is by title one of those degrees otherwise qualifying for a graduate degree stipend.

ARTICLE XII

SENIORITY

12.1 It is hereby agreed that the parties hereto recognize and accept the principle of seniority within a class of position in all cases of transfers, days off, vacation time, layoffs, and recalls. Primary seniority shall be the determining factor except in the case of layoff affecting those employees hired into EE-3456 and/or EE-3457 before January 1, 1987, as described below in 12.7. For all classifications of Probation and Parole Officer, primary seniority within a class of position shall mean the earliest appointment date or the cumulative seniority date as a Probation and Parole Counselor or Officer I, II and/or III/Senior for the State of Rhode Island unless seniority is broken as defined in 12.14.

When primary seniority is identical for two or more individuals in the same class of position, State seniority (hire date) will govern; any time earned prior to a break in service will not be used in determining seniority.

12.2 When a vacancy exists and bids for transfer are made, it is understood that the bidder will accept the restrictions and assignment of the vacant position. It is understood that the successful bidder must be available for immediate employment. The transfer shall be implemented at the start of a pay period no later than 30 working days after the completion of the bidding period, which shall include the grace period. Employees shall be limited to accepting no more than three (3) bids in a twelve (12) month period.

12.3 When an employee in a bargaining unit is granted a leave to protect status, upon returning from such leave the employee shall be entitled to resume the duties of the position occupied at the time the leave was granted. A position that is encumbered by a leave to protect status shall not be subject to being rebid when the encumbrance is lifted.

12.4 Primary seniority is defined as the length of service within a class of position or, as described in 12.1 above, the cumulative length of service within any or all of the classifications of Probation and Parole Counselor/Officer. Secondary seniority is defined as the length of service that an employee served in the next lower classification in the hierarchy for more than ninety (90) days. State seniority is defined as the total state service of the employee. State seniority shall be utilized in any situation in which primary seniority is identical for two or more individuals in the same class of position. If in such instance the state seniority is identical for two or more individuals, the Labor and Employment Practice Group within the Department of Administration, State of Rhode

Island, and the Rhode Island Probation and Parole Association shall together formulate, in agreement with each other, a lottery resolution to break the state seniority tie.

12.5 On no less than an annual basis, the appointing authority or designee of each respective department shall prepare and forward to the President of the Association a seniority list of employees by class of position for distribution to members. It shall be the responsibility of each member to notify the appointing authority or designee of any questions regarding seniority dates.

12.6 All new and vacant positions to which recruitment is to be initiated shall only be posted on the State's internet opportunities website for a period of ten (10) calendar days and notice of such vacancies shall be sent to the Union's Executive Director and local Union Presidents or other designated officials at the time of posting via electronic means. Employees who apply for such vacancies shall do so via the State's internet employment opportunities website. Employees shall be provided reasonable access to State computers for the purposes of reviewing and applying for online postings. Every effort will be made to fill vacancies within the bargaining unit. For all classifications of Probation and Parole Officer, vacancies shall be posted without regard to classification as I, II, or III/Senior and all incumbents classified as Probation and Parole Officer I, II, and/or III/Senior shall be eligible to bid laterally into any such vacancy. The classification of the vacancy shall be adjusted to match that of the successful bidder, not that of the prior incumbent.

12.7 In the event of lay-off or job abolishment, employees shall be laid off in the following order and according to lowest seniority:

1. Those with temporary status.
2. Those with provisional status.
3. Those with probationary status.
4. Those with permanent status.

5. Those with statutory status.

In the event of a reduction of force, the appointing authority shall notify the affected employee at least two (2) weeks prior to a layoff. If the affected employee was hired into a position covered by EE-3456 and/or EE-3457 prior to January 1, 1987, the employee affected may exercise his/her state seniority to bump the least senior employee in the same class of position within the affected department. An employee who has been so displaced may exercise his/her state seniority in order to bump the least senior employee on a statewide basis within the same classification. If the employee thus affected cannot utilize his or her state seniority as aforesaid, he or she may bump the least senior employee in a lower-rated classification in the bargaining unit provided he or she has held permanent status in said position. An employee who has been bumped shall not be entitled to the two (2) week notice of layoff.

If the affected employee was hired into a position covered by EE-3456 and/or EE-3457 after January 1, 1987, the employee shall only be able to use his/her primary seniority to bump the least senior employee in the same class of position within the affected department. An employee who has been so displaced may exercise his or her primary seniority in order to bump the least senior employee on a statewide basis within the same classification. If the employee thus affected cannot utilize his or her primary seniority as set forth above, he or she may bump the least senior employee in a lower-rated classification covered under EE-3456 and/or EE-3457 provided he/she has held permanent status in said position. An employee who has been bumped shall not be entitled to the two (2) week notice of layoff. This provision shall only apply to EE-3456 and EE-3457.

State seniority may be utilized in the event of layoff only to break a tie in primary seniority between or among employees represented by the Rhode Island Probation and Parole Association who are employed by the Department of Corrections or the Department of Children, Youth, and Families on or after January 1, 1987.

12.8 In the event of recall, the order of lay-off described above shall be reversed. Recall notices shall be sent by certified mail, return receipt requested.

12.9 In the event of job abolishment due to lack of funds, affected employees shall be permitted to exercise seniority in accordance with the provisions outlined herein for lay-off.

12.10 A probationary period shall not be required in the event of demotion.

12.11 The name of any employee who holds full status and has been laid off shall be placed on an appropriate preferred re-employment list for three (3) years from the date of termination. Seniority shall accrue to such employee while on said re-employment list. Unpaid sick leave and personal leave accruals will be frozen for three (3) years from the date of layoff.

12.12 Employees appointed from employment or promotional lists shall serve a probationary period of six (6) months during which time the appointing authority shall report to the Personnel Administrator every sixty (60) days concerning work of the employee; and at the expiration of the probationary period, unless the appointing authority files with the Personnel Administrator a statement in writing that the services of the employee during the probationary period have not been satisfactory and that it is desired that he/she not be continued in the service, he/she shall receive permanent status

in his/her classification. Each new employee not appointed from a list shall be considered a temporary employee and shall also serve a probationary period of six (6) months.

Employees appointed to the position of Probation and Parole Officer I from employment or promotional lists shall, at the successful conclusion of the probationary period, serve a twelve (12) month performance review. During this period, the supervisor shall complete a written performance review each four (4) months or at the conclusion of 65 days worked, whichever is longer. After a minimum of eighteen (18) months on the job as a Probation and Parole Officer I and upon successful review of each performance objective as meeting or exceeding standards, the Probation and Parole Officer I shall be reallocated to the position of Probation and Parole Officer II. A Probation and Parole Officer I who at the conclusion of the twelve (12) month employee performance review period (eighteen (18) months as a Probation and Parole Officer I) fails to successfully meet or exceed all performance review standards, shall remain a Probation and Parole Officer I and shall be re-evaluated every thirty (30) days until qualifying to be reallocated to a Probation and Parole Officer II.

Copies of the performance evaluation review form shall be provided to the employee, supervisor and administrator. Only the final successful evaluation shall be forwarded to the Human Resources Office and placed in the employee's personnel file. A copy shall also be sent to the Personnel Administrator, Department of Administration along with the necessary paperwork for reallocation to a Probation and Parole Officer II.

Statutory employees appointed to the position of Probation and Parole Officer I and not subject to a probationary period shall be evaluated on their job performance as a Probation and Parole Officer I at three (3) month intervals during their first six (6)

months in the position based upon a modified employee performance review form. Copies of these evaluations shall be provided to the employee, supervisor and administrator and shall not be placed in the personnel file. After successful completion of the first six (6) month evaluation, by meeting the expectations of task performance, statutory employees will serve a twelve (12) month employee performance review, as described above.

12.13 Any employee may be dismissed without recourse during the probationary period for reasons relating to the employee's qualifications or for the good of the service. It is intended that "probationary period" in the above sentence shall mean the original probation and shall not apply to the probationary period served after a promotional appointment.

12.14 Seniority shall be considered broken for the following reasons only:

1. When an employee has been discharged for just cause.
2. When an employee voluntarily terminates employment.
3. When an employee fails to respond to a recall notice.
4. When an employee fails to notify the departmental director of his or her absence from work within three (3) working days, unless extenuating circumstances prohibit such notice.
5. When an employee fails to renew a leave of absence.
6. When an employee engages in other work without authorization while on leave of absence.
7. When an employee is laid off in excess of three (3) consecutive years.

12.15 In the event a department determines that redeployment of any of its employees is necessary, the department shall select the class of position and the supervisory unit to be affected. Any individual within that class of position and unit may volunteer to be re-

deployed; if there is more than one volunteer, the individual with the highest primary seniority shall be selected. In the absence of a volunteer, the least senior employee within the affected class of position within that unit shall be the individual who is subject to the redeployment. Such redeployment of any particular individual shall be limited to a maximum of six (6) months, following which the individual shall be returned to his or her bid position. If after six (6) months the department determines that redeployment is still necessary from the same unit, the individual within the class of position and within that same unit who is next lowest in seniority shall be subject to redeployment unless another employee volunteers for the redeployment. If in any instance the identified individual has been re-deployed within the previous eighteen (18) months, the individual who is next lowest in seniority within the class of position within the affected unit shall be re-deployed, or the department shall select a different supervisory unit to be affected. Based on staffing needs and availability, the department may determine at any time which supervisory unit or units shall be affected by redeployment within the parameters of this section.

For the purpose of redeployment, Probation and Parole Officer I, II and III/Senior shall be understood to mean one class of position. That is, redeployment of a Probation and Parole Officer within a supervisory unit could affect a Probation and Parole Officer I, II or III/Senior.

ARTICLE XIII

VACATIONS

13.1 No employee shall receive any vacation until such employee has completed thirteen (13) bi-weekly pay periods, but vacation credits shall accrue during such time.

13.2 It is agreed that all employees covered by this agreement shall receive a vacation with pay according to the following schedule:

<u>Years of Service</u>	<u>Schedule</u>
At least six months, but not more than five years	10 working days
At least five years, but not more than ten years	15 working days
At least ten years, but not more than fifteen years	18 working days

At least twenty years, but not more than twenty-five years	26 working days
Twenty five years or more	28 working days

See attached addendum concerning vacation accrual.

13.3 When the service of an employee shall be terminated by resignation, death, dismissal, or otherwise, if such employee shall not have used actual vacation time equal to his or her vacation credits, such employee or their estate shall on such termination, be entitled to receive full pay for each hour of vacation to his or her credit as of the date of termination.

13.4 Appointing authorities shall assign vacation leave with justice and equity and once assigned, such leave shall be posted by the State.

13.5 Each employee shall be allowed to take at least two (2) consecutive weeks of vacation at some time during the calendar year.

13.6 Should a question arise between employees as to when their vacation will be taken, the senior employee shall have preference.

13.7 Employees may be allowed to carryover from one year to a second consecutive year of vacation time accrued and credited in one (1) year, provided such carryover days to a second consecutive year shall be for use only and shall not be subject to cash out under Article 14.3 or other provision of contract or statute beyond the number of vacation days which were eligible for cash out in the first year of such carryover.

13.8 The State agrees to allow employees to freeze any vacation accrued during calendar year 1983 that would be in excess of one (1) year vacation carry over entitlement for which they would have been eligible to receive compensation under Section 14.8 of the 1980-1983 contract.

ARTICLE XIV

SICK LEAVE

14.1 Sick leave with pay shall be granted to employees covered by this agreement. Sick leave with pay is hereby defined to mean a necessary absence due to injury or exposure to a contagious disease and may include absence due to illness, or death in the immediate family of the employee or necessary attendance upon a member of the immediate family who is ill, subject to the provisions of Section 5.0623 of the Personnel Rules in effect at this time.

14.2 Employees whose basic work week is thirty-five (35) hours or in the non-standard category shall accrue four (4) hours for each bi-weekly period of service. Employees whose basic work week is forty (40) hours shall accrue five (5) hours for each bi-weekly period of service.

14.3 When the total accumulation shall amount to 875 hours (125 days) for an employee assigned to a thirty-five (35) hour schedule or a non-standard schedule and

1000 hours for an employee assigned to a forty (40) hour work schedule, no further credit shall accrue until the total shall have been reduced to less than the maximum.

14.4 When the service of an employee shall be terminated by retirement (mandatory, voluntary, or involuntary) or death, such employee or their estate shall be entitled to receive full pay for each hour accrued sick leave to his or her credit as of the date of termination according to the following formula:

A 35 hour a week employee or a non-standard employee shall be entitled to receive a full pay for 50% of all accrued sick leave over 390 hours up to and including 630 hours and 75% pay for all accrued sick leave over 630 hours up to and including 875 hours.

A 40 hour a week employee shall be entitled to receive full pay for 50% of all accrued sick leave over 468 hours up to and including 720 hours and 75% pay for all sick leave over 720 hours up to and including 1000 hours.

14.5

- (a) For each discharge of leave of three (3) to less than five (5) consecutive days, the employee's appointing authority shall require, and the worker shall provide, a properly completed Employee Certification of Necessary Absence Form (Affidavit) as provided in the Appendix of this Agreement.
- (b) For each discharge of leave of five (5) or more consecutive days, the employee's appointing authority shall require, and the employee shall provide properly completed employee and physician portions of the appropriate United States Department of Labor form (currently WH-380-E, WH-380-F, WH-384 or WH-385) as provided in the Appendix of this agreement.
- (c) In order for the appointing authority to designate an absence as FMLA qualifying leave, the employee must provide the appropriate federal form referenced in (b).
- (d) Nothing herein exempts the employee's obligation to comply with the employing agency's procedure for the need for such leave and obtaining prior authorization as required.
- (e) Notwithstanding the above, the appointing authority, upon reasonable suspicion of leave abuse, may request a properly completed form (as referenced in (b)) for any and all paid or unpaid absences for medical

reasons regardless of the duration and the employee will be required to provide such documentation.

- (f) To protect employee privacy rights, all documents containing confidential medical information are maintained as confidential medical records and are kept in separate, secure medical files in the Human Resources Service Center office. Access to these records is restricted as provided by law.
- (g) Nothing herein shall adversely affect an employee's right to leave under either State or Federal leave laws. All absences due to qualifying medical reasons shall count towards an eligible employee's leave under such laws.
- (h) Nothing herein shall be construed to conflict with G.L. 1956 § 36-4-63.

14.6 In the event of death in the employee's family, the employee shall be entitled to absence with full pay "per death" not chargeable to the employee's sick leave accumulation for:

(a) four (4) days in the case of the death of a spouse (including domestic partner), child (including foster child or stepchild who resides with the employee), mother, father, brother, or sister;

(b) three (3) days in the case of the death of a mother-in-law, father-in-law, grandmother, grandfather, grandchild or any other relative living in the employee's household.

(c) one (1) day in the case of the death of an aunt, uncle, sister-in-law or brother-in-law.

If more than the above days of bereavement leave are needed, such additional time must be charged to annual or personal leave. Sick leave requests must be in accordance with the provisions of Article 14, Sick Leave.

14.7 A pregnant employee so certified by her physician shall be entitled to use accrued sick leave for any time she is unable to work for medical reasons:

- (a) At the expiration of maternity leave, the employee shall be returned to the position from which she is on leave at the same step of the then current range for her class of position.
- (b) It is agreed that pregnant employees who have exhausted their sick leave accruals or who decline to utilize their sick leave, shall be granted a maternity leave without pay. A pregnant employee shall submit written notification to the appointing authority of the anticipated duration of the maternity leave at least two (2) weeks in advance, if possible, of the commencement of the leave period. Leave shall be granted for a period of not less than three (3) months nor more than twelve (12) months and may be extended by mutual consent, and an early return by the employee may be made upon completion of a minimum of three (3) months and written notice of thirty (30) days to the appointing authority.
- (c) A pregnant employee shall not be required to commence her maternity leave prior to childbirth unless she can no longer satisfactorily perform her job duties or her continuance at work deprives her fellow employees of their contractual rights.

14.8 Whenever an employee shall be absent from work and receiving compensation as provided in the Workers' Compensation Laws, he/she shall be granted sick leave in accordance with the rules and applicable thereto, in an amount not to exceed regular compensation. Deductions from accumulated credits shall be applied only to part of the employee's salary which is paid as an addition to Workers' Compensation payments, and the total of the two shall not exceed the regular salary for a given pay period. Annual leave credits may be applied in the same manner. When such absence shall not be covered by sick leave or annual leave, it shall be deemed to be leave without pay.

Provided however that if it shall be determined during the Workers' Compensation proceedings that the injury resulted from a physical assault arising out of the regular course of employment, the employee's leave shall not be reduced for the first twenty-six (26) weeks of the disability arising from such an assault. During the twenty-

seventh (27th) week and thereafter for the duration of the employee's disability, deductions from accumulated credit shall be applied as indicated above.

14.9 The parties recognize the desirability of light duty assignments as a means of returning injured workers to productive employment.

The director and/or his/her designee in agreement with the Union shall define and assign transitional employment for employees who have job related injuries which prevent or limit responsibilities within the following parameters:

Based upon clearly defined medical verification, the parties shall modify the tasks of the employee location to provide transitional employment in order to accommodate the employee's injury.

If no transitional employment is available in the employee's classification, the employee may be offered work outside his/her classification on a limited basis with approval of the local union.

The transitional employment for such employees shall be reviewed on a regular basis. The review shall be agreed upon by the local union involved, the appointing authority, and the employee. The transitional employment period shall not exceed six (6) months unless mutually agreed upon by the local union involved, the appointing authority, and the employee with medical documentation.

If the employee cannot return to his/her classification and/or assignment based upon medical verification after attaining maximum medical improvement, the State shall attempt to assist them with other employment, education, or training in service within the bargaining unit in accordance with the Master Contract and the Workers' Compensation Laws.

If the injury is not job related and the employee requests to return to work, the appointing authority, subject to the needs of the department may modify the tasks of the employee's normal assignment to enable the employee to return to work after utilization of the employee's sick leave.

Any such transitional employee will not displace any bargaining unit member while participating in the program.

14.10 The State and the Union agree to establish a Sick Leave Bank Committee who shall be responsible to administer a Sick Leave Bank in the bargaining unit covered by this agreement.

The Sick Leave Bank Committee shall be composed of four (4) members, two (2) of whom shall be appointed by the President of the Union and two (2) by the State. The Sick Leave Bank Committee shall establish the rules and procedures to be used by employees who have contributed to the Sick Leave Bank. Decisions of the Sick Leave Bank Committee to grant sick leave bank days shall be by majority vote, shall be final and shall not be subject to the grievance and arbitration provisions of the contract.

The following provisions must be included in the rules and procedures adopted by the Sick Leave Bank Committee:

- (a) The Committee must review the sick leave utilization of any member of the Sick Leave Bank who applies for sick leave from the bank. Sick leave will not be granted to an applicant with evidence of prior sick leave abuse in his or her personnel file or attendance record. Prior utilization of sick leave does not by itself indicate sick leave abuse.

- (b) The Committee must require adequate evidence of catastrophic illness or injury, which is not job-related, of an employee only (not any family member).
- (c) The maximum amount of sick leave that the Committee may grant shall be 480 hours per employee assigned to a forty (40) hour work week and 420 hours per employee assigned to a thirty-five (35) hour work week. Hours granted shall not exceed the total hours available in the Bank.
- (d) Employees must make contributions to the Sick Leave Bank on January 2 of each calendar year. Any employee who does not make a contribution to the Bank shall not be eligible to apply to the Bank for any sick leave.
- (e) Members of the bargaining unit who wish to be eligible to apply to the Bank for sick leave shall contribute eight (8) hours of sick leave if assigned to a forty (40) hour work week and seven (7) hours of sick leave if assigned to a thirty-five (35) hour work week.
- (f) An employee who applies to the Sick Leave Bank must have used all available accrued and accumulated leave including vacation and personal leave.
- (g) All sick leave hours accrued while discharging sick leave hours granted by the sick leave bank committee must be discharged prior to discharging available sick leave bank hours.
- (h) Part-time employees may participate on a pro-rated basis.

Annual unused sick leave remaining in the Sick Leave Bank on December 31 shall not be carried forward into the next year.

If during the calendar year the Sick Leave Bank falls below three fifty (350) hours, the Sick Leave Bank Committee may solicit additional contributions of one (1) additional day (8 hours or 7 hours) from those employees who made a contribution on January 2 of that calendar year.

Nothing herein shall prevent the Committee from establishing rules and regulations for the sick leave bank that provides for pledge donations to be used only when the Committee approves an application for hours from the bank.

ARTICLE XV

(b) Effective the pay date, Friday, August 8, 2008, eligible employees shall contribute toward the cost of health care coverage based on a percentage of premiums for either the individual or family plan as set forth below for medical insurance, dental benefits and/or vision/optical benefits. Said co-share percentages shall apply based on the employee's annualized total rate and shall be via payroll deductions.

For full time employees:

Effective July 1, 2011:

Effective the pay date, Friday, August 8, 2008, eligible part time employees (scheduled hours <35.0 for a 35.0 hour position or <40.0 for a 40.0 hour position) shall contribute toward the cost of health care coverage based on a percentage of premiums for either the individual or family plan as set forth below for medical insurance, dental benefits and/or vision/optical benefits. Said co-share percentages shall apply based on the employee's annualized total rate and shall be via payroll deductions.

15.4 If two State employed spouses hired on or after June 29, 2014 are covered under one State family insurance plan, the co-share set forth in this Collective Bargaining Agreement shall be determined based on the income of the higher earner of the two spouses as determined by the annualized total rate of pay. Further, the spouse that does not receive insurance through the State but is covered by their State employed spouse will not receive the waiver payment.

15.5 For clarification purposes only, employees on paid or unpaid leave are responsible for their regular co-share payment for health insurance (i.e. medical, dental and vision). Failure to make such payments may result in termination of such benefits upon thirty (30) days' notice.

Effective the pay date, Friday, August 8, 2008:

Due to the delay in implementing the Plan Design changes, the co-share contributions shall be based upon the pre-October 1, 2008 working rates thru November 22, 2008.

15.6 The employee waiver will be increased from \$1,300 to \$2,002 effective January 1, 2002. Effective July 1, 2011, the employee waiver shall be reduced by 50% to \$1,001.

Effective November 23, 2008, the drug co-pay for mail order network pharmacies is: 3 month supply of a prescription drug for 2 co-payments. Maximum fill is 3 month supply.

15.7 Subsequent to the ratification of this agreement by the union, any health insurance co-share agreement agreed to by the State through negotiations, by the Director of the Department of Administration, or her designee, shall be offered to the union as an alternative to the co-share provision set forth above. Any such alternative agreement shall be applicable on a prospective basis only, provided the alternative co-share agreement is applied to all bargaining unit employees who are entitled to health, dental, and/or vision care benefits. In the event a more favorable health insurance co-share agreement is directly related to concessions made by other labor organizations, the union shall have the option of making concessions of equal value in order to qualify for a more favorable co-share agreement.

15.8 Dental Program: The State will provide a dental plan for the employees and their family. The coverage shall be \$1,200 under the dental program to be effective upon the expiration of the current dental program. Effective January 1, 2009, dental plan crown coverage is 80%.

15.9 Employee contributions, for employees who opt out of health coverage but retain or choose vision/optical care or the dental program, shall be calculated on the cost of the

benefits elected relative to the total cost of health care, vision/optical, and dental program combined.

15.10 The State reserves the right to reopen Article 16 for changes in statewide health benefits.

15.11 Flex Plan

Effective July 1, 2008, the State will offer a medical flexible spending account plan in addition to the dependent care flexible spending account plan. Flexible spending accounts permit employees to payroll deduct a portion of their pay on a pre-tax basis for the payment of qualified medical and dependent care expenses.

15.12 Wellness Incentive

Employees participating in the State's medical plan and who meet the wellness criteria established by the State, in consultation with the Union, shall receive a reduction in medical insurance co-share payments up to a maximum of \$500 per year. The earned reductions in medical insurance co-share payments shall be awarded to active employees in FY 2009 or the fiscal year following the employee's participation in the wellness activities.

The Wellness Incentive program will integrate preventative and wellness behaviors into the medical plan. Examples of possible activities include completion of the Health Assessment, obtaining a primary care physician, wellness coaching programs, preventive screenings, non-smoker or completion of smoking cessation program, and/or participation in a program that measures key points in assessing an individual's overall health.

15.13 The State shall, after meeting and conferring with the Union, have the right to offer any other health care plans to State employees during the terms of this agreement provided participation is voluntary and such plans do not result in a higher employee co-share percentage. If the State offers such voluntary plans, those that elect to participate will be included in the pool of insured for the purpose of determining the working rate for the primary plan outlined in the Collective Bargaining Agreement. The provision will expire at 11:59 P.M., June 30, 2017.

ARTICLE XVI

RETIREMENT

16.1 It is agreed by the parties hereto that all employees covered by this agreement shall be the recipients and beneficiaries of all retirement benefits contained in the General Laws of Rhode Island as amended from time to time, as well as of any rules and regulations or determinations made by the State Retirement Board as set forth in Title 36, Chapter 8 of the General Laws of the State of Rhode Island as it pertains to said Board's establishment of rules and regulations for the administration and transaction of the business of the retirement system. The parties agree that retiree health insurance benefits as set forth in Article 4 of 08-H 7204 SUB A, as amended, approved May 1, 2008, shall remain in effect for the term of this agreement. Should a court of competent jurisdiction declare this legislation to be unconstitutional in whole or in part, the parties agree that retiree health insurance benefits as provided by law shall remain in effect for the term of this agreement. No provision of the collective bargaining agreement shall provide benefits inconsistent with such law.

ARTICLE XVII

GROUP LIFE INSURANCE

17.1 It is agreed that all employees shall be eligible to participate in the State Employees' Group Life Insurance Program as established by 36-12-6 of the General Laws of 1956, as amended.

ARTICLE XVIII

LEAVE WITHOUT PAY

18.1 It is agreed that, upon written application, an employee with permanent status may be granted a leave without pay, not to exceed six (6) months, subject to renewal, for reasons relating to personal illness, pregnancy, disability, or other purposes deemed proper and approved by the appointing authority and the Personnel Administrator.

18.2 When an employee is granted a leave as provided in Article 19.1, which with renewals, is for eighteen (18) months or less, he/she shall, upon returning from such leave, be entitled to return to the position he/she occupied when he/she went on leave at the office and location he/she occupied at the time the leave was granted and at the same step of the then current range for this class of position. Any employee returning from a leave which exceeds eighteen (18) months shall be entitled to return to the class of position within the department which he/she occupied when he/she went on leave.

The reference to leaves of eighteen (18) months duration in this Article shall not be construed to adversely affect the discretion of the appointing authority or Personnel Administrator in the granting of said leave.

18.3 Seniority shall be retained and shall accumulate during all leave without pay.

18.4 If an employee submits a request for leave without pay for parental leave, including adoption, and that leave is approved by the employing agency, the State will provide the health care coverage at no cost to the employee for one (1) year.

18.5 Employees returning from an authorized leave for educational improvement must return to their current position for a period of one (1) year and remain in State service for two (2) years. In the event said employee fails to comply with these obligations, he/she (not the Union) will be required to reimburse the State for the full amount expended by the State, including the cost of health insurance. In the event that an employee leaves State employment within two (2) years, such amounts will be pro-rated based on the months of service. The Union representative will have the right to assist the aggrieved at any step of the grievance procedure.

b) The grievant may be represented by a third party at Step 2 or Step 3 of this procedure, upon the mutual consent of the State and the Union in writing.

c) It is also agreed that in all cases of suspension, dismissal or class actions, the aggrieved and/or the Union committee may go immediately to Step 2 of the grievance procedure.

25.3 A Civil Service employee may process a grievance through either the grievance procedure or before the Personnel Appeal Board, provided the claim is within the jurisdiction of the Personnel Appeal Board. However, the initiation of a matter before the Personnel Appeal Board shall be deemed a waiver of the employee's rights to utilize or continue to utilize the grievance procedure provided herein with respect to that matter.

25.4 Sustained grievances will be implemented or the necessary paperwork to implement the decision will be initiated within five (5) working days after receipt of the decision by the Department.

ADDENDUM TO ARTICLE XIII

VACATION ACCRUAL

Article XIII of this agreement set forth the present vacation schedule for all employees covered by said agreement. However, Article XIII does not specify how vacation credits are accrued by employees. A dispute has arisen between the parties regarding the present system of vacation accrual. Therefore, the parties have entered into this agreement to resolve the difference:

- (a) On January 1st of each year, employees shall be credited with certain vacation days in accordance with Schedule A and B below. Said days shall not be subject to accrual and shall be designated as “up Front Days”. The balance of an employee’s vacation entitlement shall be subject to accrual in accordance with the following schedule. All vacation days subject to accrual shall be accrued according to the following formula:

<u>YEARS OF SERVICE</u>	<u>SCHEDULE A</u>	<u>DAYS SUBJECT</u>	<u>TOTAL</u>
	<u>UP FRONT DAYS</u>	<u>TO ACCRUAL</u>	
At least 6 months, but not more than 5 years	2	13	15

New employees hired after December 28, 1980 shall be entitled to receive vacation in accordance with the above noted Schedule B.

Effective December 28, 1980, employees hired prior to December 28, 1980 shall be entitled to receive vacation in accordance with whichever of the above noted schedules that provide the greatest number of days of vacation.

“Up Front Days” shall be indicated on the employees time card as well as on the Accrued Hours Quarterly Statement. The employee’s balance of vacation entitlement shall be indicated by a separate entry on the Accrued Hours Quarterly Statement.

In the event that an employee’s work week schedule is changed from within a standard forty (40) hour work week to a standard thirty-five (35) hour work week or a not-standard work week or in the event that an employee’s work week is changed from either a standard thirty-five (35) hour work week or a not-standard work week to a standard forty (40) hour work week, his/her accrued hours shall not be adjusted to reflect an equivalent number of vacation days in the new work week schedule.

For example: if an employee is entitled to a total of fifteen (15) days vacation and is assigned to work in a standard forty (40) hour work week, is changed to a standard thirty-five (35) hour work week, the hours accrued pursuant to the formula for a standard forty (40) hour work week shall not be reduced to reflect an equivalent number of eight (8) hours vacation that would have been accrued in a standard forty (40) hour work week schedule.

When an employee reaches the required number of years of service which would increase his/her vacation entitlement, the state agrees to add, without regard to accrual, the additional up front days on account of the increase in vacation entitlement. For example: an employee who reaches 20 years of service on September 1st would have five additional vacation days added to his/her total of earned vacation credits. The balance of

any increase shall be sought to accrual. In no case shall any employee carry over from one year to the next more than the amount of vacation time accrued and credited in one year.

MEMORANDUM OF UNDERSTANDING

PARKING

For clarification purposes only, the State has a unilateral right to create incentive programs to encourage employees to not drive to work and park.

MEMORANDUM OF AGREEMENT

IMPLEMENTATION OF STUDY CONTEMPLATED BY SEGAL REPORT

This Memorandum of Agreement is entered into by and between the State of Rhode Island (the “State”) and Rhode Island Council 94, AFSCME, AFL-CIO (the “Union”) (collectively the “Parties”).

WHEREAS, the parties recognize that the State personnel system is out-of-date and in need of reform; and

WHEREAS, in June of 2012, the State of Rhode Island’s Department of Administration engaged The Segal Group to perform a study and issue a report towards implementing personnel reforms; and

WHEREAS, The Segal Group, in January of 2013, after consultation with an Advisory Committee, and after months of stakeholder interviews and independent research, issued the State of Rhode Island Comprehensive Personnel Study - Final Report of Detailed Findings, available at: www.governor.ri.gov/personnel/012613study.pdf; and

WHEREAS, a subsequent report is being prepared to address classification architecture and the compensation structure (collectively with the Segal report, the “Report”).

WHEREAS, the Parties entered into a collective bargaining agreement effective _____ through _____ (the “CBA”).

NOW THEREFORE, in the best interests of the parties, it is hereby agreed by and between the Parties that:

1. Mid-Term Discussions/Bargaining

Provided the report is completed by June 30, 2015, the Parties agree that they will meet and confer over the recommendations in the Report. Statutory impasse procedures of RIGL 36-11 shall not apply to the Parties' agreement to meet and confer. By entering into this MOA, neither party waives any rights it has. In no event will the implementation of recommended changes result in the decrease in an employee's base wages.

2. Mutual Cooperation

The Parties agree to approach such discussions with a sincere resolve to reach agreement concerning the Report's recommendations.

LETTER OF AGREEMENT

DOC CASE MANAGEMENT GUIDELINES

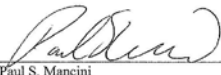

November 25, 2008

LETTER OF AGREEMENT

The following represents an agreement between the Rhode Island Probation and Parole Association (herein after referred to as "RIPPA") and the Rhode Island Department of Corrections (herein after referred to as "the Department").

1. This letter is intended to formalize the parties' understanding with regard to the Department's implementation of case management guidelines in Probation and Parole. The necessity for such guidelines for the purpose of assisting Probation and Parole Officers in effective case management techniques is mutually recognized. However, given the fact that Rhode Island Probation and Parole members have one of the highest caseloads in the country, have many additional duties, including court coverage, and work a 35-hour, non-standard workweek, it is also mutually acknowledged that these guidelines do not constitute contract standards and will be applied with due consideration of the above limiting factors. The Department will provide training for all staff to whom the guidelines are applicable and will work collaboratively with the Association in their implementation.
2. RIPPA has agreed to withdraw Grievances # 195 (G-8287) and 196 (G-8288) and considers this agreement full and final settlement of said grievances.
3. This letter of agreement shall not be precedent setting for any pending and/or future cases.

Said cash payment for those days accrued from FY11 shall be paid at the employee’s total pre-reduction hourly rate in effect for the pay period 1/2/11-1/15/11 (paycheck of 1/21/11), regardless of when the cash payment is made. All other pay reduction leave accruals provided for in the PR Agreement shall have no cash value whatsoever. This agreement does not change an employee’s earned entitlement to other frozen or deferred days (i.e. Sundlun days).
