ARTICLE III

MANAGEMENT RIGHTS

3.1 The Union recognizes that except as specifically limited, abridged or relinquished by the terms and provisions of this Agreement, all rights to manage, direct or supervise the operations of the State and the employees are vested solely in the State.

For example, but not limited thereto, the Employer shall have the exclusive rights subject to the provisions of this Agreement and consistent with applicable laws and regulations:

- (a) To direct employees in the performance of official duties;
- (b) To hire, promote, transfer, assign, and retain employees in position within the bargaining unit and to suspend, demote, discharge, or take other disciplinary action against such employees;

- (d) To determine the methods, means, and personnel by which such operations are to be conducted;
- (e) To relieve employees from duties because of lack of work; and
- (f) To take reasonable action necessary to carry out the purposes of the Department which may arise in emergency situations, i.e., circumstances of a critical nature calling for immediate action to protect the public interest and which are not expected to be of a recurring nature.

ARTICLE IV

HOURS OF WORK

4.1 **UNIFORM TROOPERS:** The present work schedule for troopers shall consist of three consecutive days or nights on and three consecutive days or nights off, known as the "3 and 3 schedule", except as provided hereinafter as training time or otherwise provided elsewhere in this Agreement. In the event that a trooper is scheduled for training, the work week shall be scheduled as Monday through Friday during the training period. In this event, wherever reasonable, a trooper assigned to weekday training shall not be required to work the preceding or subsequent weekend to the training. However, except for emergency situations, the trooper shall not be required to work more than one Saturday and one Sunday from the preceding and subsequent weekend and overtime in this instance is to be paid on the basis of work performed in excess of forty (40) hours in a work week.

4.2 Whenever possible, troopers shall be permitted to use a State patrol car to return to and from their homes between consecutive scheduled work days.

4.3 The basic work week for a member of the Detective Division, Bureau of Criminal Identification, Intelligence Unit, Narcotics Unit, The Governor's Security detail and the Accreditation Unit (hereinafter collectively referred to in this section, i.e. 4.3, as "member") shall be a seven (7) day period commencing 12:01 AM Sunday and shall consist of five consecutive days on and two consecutive days off, subject to the exceptions contained herein. Nothing herein shall preclude the Department from requiring a member to work at any time.

It is recognized that certain projects may be necessary involving the members of the Intelligence Unit and the Detective Division (which includes the Narcotics Unit and the

Bureau of Criminal Identification), in this event, for a period of not longer than ninety (90) days, these members may have scheduled work weeks which do not consist of consecutive days.

The regular scheduled work day shall consist of no less than six hours and shall not include split shifts. The regular schedule shall provide not less than eight hours between shifts. The basic work week for members assigned to "weekend" detail may consist of fewer than five consecutive days.

Members shall be scheduled to work forty nine and one half (49 ½) hours during the basic work week. Members shall be paid overtime at a time and one-half rate for all scheduled hours over forty-two (42). Normal scheduled hours while on authorized time off shall be counted as time worked for all purposes. Said work schedule shall be determined by the Superintendent, or his/her designee, and members shall be notified of said weekly schedule at least forty-eight (48) hours in advance of each scheduled work week.

Those members with a "bank" who work more than ninety-nine (99) scheduled hours during each two (2) week pay period, shall receive compensatory time for each additional hour of work, to be accumulated as a "bank" to a maximum of four hundred eighty (480) hours of compensatory time. If a member has banked four hundred eighty (480) hours of compensatory time, all additional hours or overtime worked shall be compensated by pay at the overtime rate. Compensatory time earned as a detective member pursuant to paragraph 4.3 shall be counted as "Garcia time" in the event of the detective's transfer to uniform.

Those members shall give reasonable notice for the use of compensatory time and shall be permitted to use such time off within a reasonable period after making the request,

provided that such use does not unduly disrupt the operations of the Division. Requests by a member for taking of compensatory time shall not be unreasonably denied. A reasonable period for notice shall be a minimum of seventy-two (72) hours however, less notice may be provided by mutual agreement. Management reserves the right to determine the taking of and the timing thereof of a member's compensatory time hours for all hours above one hundred and fifty (150) hours that have been banked by the member. Management shall provide forty-eight (48) hours notice to the member when requiring the member to take compensatory time. Compensatory time required by Management to be taken must be in full scheduled day increments, however less than a full scheduled day may be taken by mutual agreement.

Members who accrue compensatory time pursuant to this § 4.3 and who have such compensatory time in their "bank" at the time that they are either promoted to the rank of Lieutenant or transferred to the Uniform Bureau or Administrative Bureau shall be entitled to retain the existing balance of their banks at the time of their promotion or transfer and shall be entitled to discharge said compensatory time pursuant to the terms of this § 4.3. At the time of retirement, members shall only be paid for seventy-five (75) hours of compensatory time. Any compensatory time in excess of seventy-five (75) hours in a member's "bank" shall be discharged through paid leave prior to the member's official retirement. Should a member choose to accelerate his or her retirement date prior to discharging compensatory hours, those hours in excess of seventy-five (75) shall be forfeited.

Management shall have absolute discretion as to flextime hours for those members. Flextime is defined as rescheduling the previously scheduled hours of any scheduled work day subject to the foregoing provisions. Management shall provide twenty-four (24) hours

notice prior to changing a member's work schedule pursuant to flextime, unless an emergency situation arises and in that case, the twenty-four (24) hour notice shall not apply.

Whenever a member of the Detective Division has chosen to use compensatory time, management may substitute flextime for the compensatory hours taken during the seven (7) day work period. The purpose of this "reverse flex" is to prevent the accrual of compensatory time by a member of the Detective Division who has not worked a full week, as defined in this section (4.3). Should a "reverse flex" be utilized, the member will be re-credited the compensatory hours substituted with flextime.

The State, at its election, may pay for accrued compensatory time at the end of each fiscal year. Such compensatory time shall be paid at the regular rate of pay for that member as of the date of payment.

No more than one payment in cash or compensatory time shall be made for any overtime hour worked.

Vacation time shall take precedent over compensatory time off.

4.4 For the purpose of this Agreement, "work" is defined as any time a member is on active duty, required to be in his/her barracks, traveling from home and returning to home after being called back in case of emergency, or is required to be present in a court of law as part of his/her duties.

4.5 All members assigned to the "3+3 Schedule" shall be on a six-week cycle of rotating shifts which shall be prepared and posted in all barracks during the six-week cycle prior to taking effect. In the event it becomes necessary to change the scheduled work hours for any groups, the parties hereto shall make every effort to agree mutually on the hours for said schedule and fix the hours subject to the grievance procedure and arbitration

provisions of this Agreement. The scheduled hours of work of each member shall not be changed without his/her receiving at least twenty-four (24) hours advance notice of said change.

4.6. Nothing in this Agreement shall affect the right of the State, in case of emergency, to "call back" or to require his/her attendance in a court of law.

4.7 Any member who wishes to change his/her days off or vacation may either request his/her superior in charge for a change or may substitute with a member of equal rank, provided such substitution is approved by his/her superior in charge. Such approval shall not be unreasonably withheld, and no reason need be provided by a member to support a desire to change his/her days off or vacation.

4.8 No employee who has performed work before or after scheduled shift hours will have the right or will be required by the State by reason thereof to take time off to equalize his/her working hours.

4.9 Seminars and training sessions, including reasonable travel time within the regularly scheduled work day, which are attended at the request of the State shall be considered as time worked for regular time and overtime purposes. It is understood that an employee shall be entitled to overtime only in the event he/she exceeds the number of his/her regular scheduled work hours during the calendar work week.

4.10 Shift assignments shall be either consecutive days or consecutive nights and shall be for a period of six (6) consecutive weeks. No employee shall be required to work consecutive six (6) week cycles of nights.

4.11 Troopers who are required to attend court sessions shall be entitled to be off regular duty between shifts of at least eight (8) hours' duration. In the event that a trooper is

required to remain on duty at the end of the shift and the time in between shifts is not at least eight (8) hours, then the trooper shall be allowed a eight (8) hours rest period and the time between the regularly scheduled start of the shift and the time that he reports for duty shall be made up at the end of the shift.

4.12 The State shall be able to assign up to fifty (50%) percent of the patrol cars at the barracks to the patrol car shift that commences at 7:00 a.m. and ends at 8:00 p.m. Troopers may utilize their seniority in determining assignment to the 7 a.m. patrol car. In the event that an insufficient number of troopers desire the 7 a.m. shift, the State has the right to assign the least senior troopers to the 7 a.m. patrol car. One non-commissioned officer at Lincoln Woods barracks and one non-commissioned officer at Hope Valley barracks shall work a shift that commences at 7 a.m. and ends at 8 p.m. A minimum of one non-commissioned officer shall be on duty between 8 p.m. and 9 p.m.

4.13 Members assigned to planning and research and the Training Academy shall received the sum of twenty-five (25%) percent in lieu of overtime.

4.14 (a) The Traffic Tribunal Officer shall be assigned to a five days on and two days off schedule with work hours as set forth in Section 4.3 and shall remain eligible for overtime and other assignments authorized by the Superintendent. The Traffic Tribunal Officer shall be selected on a voluntary basis according to seniority among eligible corporals and shall remain in this assignment for a minimum of twelve (12) months unless promoted, requests a transfer that is approved by the department, or removed for cause. Subsequent to the twelve-month period, said Tribunal Officer shall remain in such assignment unless he/she is promoted, requests a transfer or is removed for cause. If no corporals volunteer for such assignment it shall be filled according to lowest seniority.

(b) Wickford, Lincoln Woods, Chepachet, and Hope Valley Barracks shall be assigned District Court Officers who shall remain eligible for overtime and other assignments authorized by the Superintendent. The Court Officers shall be assigned to a five (5) day on and two days off schedule with work hours as set forth in Section 4.3. The Court Officers shall be selected on a voluntary basis according to seniority among eligible corporals and shall remain in the assignment for a minimum of twelve (12) months unless promoted, requests a transfer that is approved by the department, or removed for cause. Subsequent to the twelve-month period, the Court Officer shall remain in such assignment unless he/she is promoted, request a transfer or is removed for cause. If no corporal volunteers for such assignment, it shall be filled according to lowest seniority.

(2) In the event an employee is required to appear in court on the same day as earlier placed on "call back" or on "stand by for call back" the employee shall be paid time and one half (1.5) for the actual time spent earlier on his/her earlier 'call back' or 'stand by for call back'.

(d) For all work performed on the holidays enumerated in Section 9.1 herein, in addition to the provision of Section 9.2 providing for an additional day's pay for the foregoing holidays. All time worked during a member's shift which originates during the day of the foregoing holiday and extends to the next day shall be included for time and a half purposes.

5.4 Overtime work is to be made a matter of record and distributed fairly and equitably among employees capable of performing the work in their respective class of position. Upon request, a record of overtime work will be furnished the Association at the close of each pay period.

7.6 The State shall pay members of the Detective Division such sums not exceeding two hundred fifty dollars (\$250.00) during any fiscal year necessary to replace or repair any clothing damaged or destroyed while in the performance of duty. The original cost, depreciation, and repair costs shall be factors considered in determining the amount of payment to which a member shall be entitled hereunder. Receipts or other proof of costs or repairs must be presented for payment.

7.7 Wearing of summer uniforms shall be effective on each May 1st; wearing of Traffic shirts shall be effective October 1st. This schedule shall not be changed unless the Department or barracks commander determines that weather conditions warrant otherwise, in which case they shall exercise their prerogative reasonably.

7.8 The State shall be responsible for the cost of reasonable uniform alterations, repair and change of insignia.

7.9 Protective vests, reasonably up to date and within N.I.J. standards, shall be provided to all bargaining unit personnel and the wearing of these vests may be made mandatory by the Department.

ARTICLE VIII

SENIORITY

8.1 It is hereby agreed that the parties hereto recognize and accept the principle of seniority in all cases of days off, vacation time, holiday time, layoff and recall, and after four (4) years of service, seniority shall be recognized in choice of barracks and squad assignments for existing vacancies and provided that the Superintendent shall be entitled to maintain a reasonable balance in each barracks up to fifty percent (50%) between senior

members and those with less than four (4) years service. Such barracks transfers shall be fully implemented within fifteen (15) days from the time the Department receives a written request. A member is eligible for only one (1) barracks transfer within any twelve (12) month period.

A member may be provided a barracks transfer without regard to these provisions for reason of hardship or extenuating circumstances provided the Superintendent and the Association approve.

8.2 Seniority, except for purposes of barracks and squad assignments, is defined as the length of service within the bargaining unit as set forth in case number EE-1907 in Article I. Seniority for the purpose of barracks and squad assignments shall be defined as service within a class of position. Credit for seniority shall include all periods of leave without pay, vacations, sick leave, disability and military leave within the bargaining unit.

8.3 The Personnel Administrator shall prepare and forward to the Secretary of the Association a seniority list of employees. Seniority lists shall be revised when necessary and shall be prepared and posted on approved bulletin boards showing the employee's name, class of position and seniority. All new and vacant positions shall be posted on the Association's bulletin board for a period of one (1) week. Employees applying for such vacancies shall make a request in writing to the personnel office not later than three (3) days after posting. Every effort will be made to fill vacancies from within the bargaining unit.

8.4 Seniority for members of the same class shall be governed by class standing at graduation.

8.5 Within each barracks, a list will be maintained by seniority by class of position. For this purpose, those with more than four (4) years of service will be considered

to be the top Fifty (50%) Percent of the seniority list. Those with less than four (4) years of service will be considered to be the lower Fifty (50%) Percent of the seniority list. Squads will then consist of an equal amount of senior and junior troopers within each barracks.

8.6 Non-coms shall be relieved of responsibility only for just cause. The Department shall upon request inform a member in writing as to the reasons for his/her being relieved of responsibility and such action by the Department shall be subject to the grievance procedure.

9.2 It is agreed that each employee shall receive an additional day's pay during the pay period in which each of these holidays fall. The additional day's pay shall not be used in the computation of overtime. In addition, time and a half shall be paid for work performed by uniform personnel on these holidays. Employee's holiday pay shall be computed by dividing the number of employee's scheduled work and/or vacation days during the pay period in which the holiday falls into his/her regular earnings for the pay period.

The practice for detectives regarding time worked shall include the same holidays as provided in Section 9.1 herein.

9.3 Holiday work shall be rotated whenever possible.

Such time shall be with the approval of the Superintendent, and such approval shall not be unreasonably withheld.

Four (4) Association officers, President, Vice President, Secretary and Treasurer, shall be permitted time off with pay during their duty hours to attend one (1) monthly Association meeting. The Colonel or the Executive Officer may determine that an emergency or shortage of manpower reasonably prevents any of these officers from being excused from duty to attend an Association meeting.

20.2 No Association steward or committee member or representative shall be discriminated against as a result of the performance of legitimate Association business.

20.3 The Association shall furnish the State and the Department with a written list of its officers immediately after their designation and shall promptly notify the State of any change in such officers.

ARTICLE XXIII
GRIEVANCE PROCEDURE

23.1 (a) For the purpose of this Agreement, the term "grievance" means any difference or dispute between the State and the Association or between the State and any employee with respect to the interpretation, application, or violation of any of the provisions of this Agreement.

(b) It is agreed that the Superintendent may dismiss or otherwise discipline an employee for just cause during the term of his/her enlistment. Just cause shall include the principle that all discipline be uniformly imposed and appropriate to the offense committed. However it is understood that nothing herein shall in any way be construed to modify, amend or repeal in any manner whatsoever the provisions of Section 42-28-10 of the General Laws of Rhode Island, 1956 as amended.

23.2 There shall be a grievance procedure as follows:

- (a) A grievance shall be presented by the aggrieved employee and/or by the Association to the employee's immediate supervisor or appropriate authority within fourteen working days of the employee's/Association's knowledge of the occurrence of such event.
- (b) The immediate supervising officer or appropriate authority shall attempt to settle the problem within five working days.
- (c) If the grievance is not resolved according to section (b) above, it shall be reduced in writing within a ten calendar day period of step (b) and a meeting between the aggrieved, the Association's representative and the

A meeting shall be scheduled to occur within five (5) working days of the receipt of said request. If the grievance is denied, the Department shall issue a written explanation to the Association and employee within three (3) working days after the aforesaid meeting.

Members of the Association committee, stewards, the aggrieved employee, and employee witnesses who are State employees will be paid at their regular rate up to their normal quitting time for time spent in processing grievances. The Association's representative will have the right to assist the aggrieved at any step of the grievance procedure. Nothing contained herein deprives an individual employee of the right to process his/her grievance through (c)

above without Association representation. If such grievance is processed without Association representation, the facts and all written employer responses of said grievance will be furnished to the Association.

- (f) It is also agreed that in all cases of dismissal or grievances of the Association, the aggrieved and/or the Association may go immediately to section (d) of the grievance procedure and such action of filing a grievance or requesting a meeting shall occur within the days prescribed in (a).
- (g) In the event that an employee is dismissed, demoted or suspended under this section and such employee appeals such action and his/her appeal is sustained, he shall be restored to his/her former position and compensated at his/her regular rate for any time lost during the period of such dismissal, demotion or suspension.
- (h) Written reasons for denying grievances shall be provided under sections (c) and (d) above.

LETTER OF UNDERSTANDING

WORK SCHEDULE

The State of Rhode Island Department of State Police (referred to as the "Department") agrees that the present work schedule for uniformed troopers known as the three (3) days on and three (3) days off schedule (referred to as the "3 and 3 schedule") shall be continued with the following exception as provided herein for training time.

The sole exception to a trooper being assigned a "3 and 3 schedule" shall be when a trooper is scheduled for training between Monday and Friday. In this event, wherever reasonable, a trooper assigned to weekday training shall not be required to work the preceding or subsequent weekend to the training. However, except for emergency situations, the trooper shall not be required to work more than one Saturday and one Sunday from the preceding and subsequent weekend.

At the expiration of the "1993 Agreement," should the "Department" be desirous of changing the "3 and 3 schedule," it shall within 30 days prior to the expiration date of the "1993 Agreement," notify the Union in writing of its desire to change the "3 and 3 schedule." Should the foregoing notice be provided, the parties agree to immediately enter into good faith negotiations to resolve the uniformed troopers' work schedule issue. If the parties are thereafter unable to resolve the work schedule issue, either party may submit the issue for resolution by arbitration pursuant to the provision set forth in the Rhode Island State Police Arbitration Act, chapter 28-9.5 (referred to as the "Act").

Should the work schedule issue be so arbitrated at the expiration of the "1993 agreement," in addition to the factors set forth in the "Act," the arbitrators may consider the

factor of the Department's deployment and operations then existing without regard to the past practice of the "3 and 3 schedule."

The parties further agree that any rights provided to the "Department" to unilaterally change the "3 and 3 schedule" to any other schedule as set forth in a Memorandum of Agreement, dated April 26, 1982, are to be deemed null and void for all purposes.
