

*Pay Reductions - Fiscal Year 2010 & 2011*

Most State employees received twelve (12) one day pay reductions (equivalent to ten percent (10%) of the bi-weekly total salary rate, excluding overtime) in specified pay periods/paychecks in fiscal year 2010 and 2011. Employees subject to these pay reductions accrued additional days of paid leave in those payroll periods. This leave was accrued to part-time employees on a pro rated basis. For further information and details regarding discharge or payment for this leave, see the FY 2010 and FY 2011 Pay Reductions Policy available at <http://www.hr.ri.gov>.
