

*Adverse Weather/Unusual Conditions*

The determination as to when adverse weather conditions and/or other unusual circumstances exist and, thus permit the application or implementation of the Policy on Adverse Weather Conditions and/or Other Unusual Conditions and Alternative Worksite Policy, will be solely by the Director of Administration or the State Personnel Administrator. In such cases, a communication will be issued by the Department of Administration. These policies may be obtained by accessing the Division of Human Resources website at <http://www.hr.ri.gov> or by contacting your human resources office.
