

State Employees Charitable Appeal (SECA)

Each year, employees are invited to participate in the State Employees Charitable Appeal (SECA) Campaign which allows Rhode Island's state employees to conveniently contribute money to local and regional health and welfare organizations. Your donations to the social, health and human service agencies that SECA represents have not only helped to support so many of your fellow Rhode Islanders but have also helped to sustain altruistic programs across the United States.

More information about the program is available on the Rhode Island State Employees Charitable Appeal website at www.riseca.org.
